INTRODUCING KAPPA ALPHA

The Civil War had completely exhausted the wealth and resources of the South, left its homes and lands destitute and barren, and disillusioned its inhabitants. The life of luxury once led by many Southerners was now gone in the smoke of ravaged farms and towns. Beaten in war but not in spirit, the Confederates looked to the positive leadership of one of the great men of history, Brigadier General Robert Edward Lee. Having done well in war, General Lee was now to prove he could face the even greater task of guiding his people well in peace. He set an example for the Southerners to forsake their old hatreds by accepting the offer to become president of Washington College, a small school in Lexington, Virginia, which had suffered the miseries of the harsh war.

It was into this atmosphere of Washington College, now Washington and Lee University, dominated by the magnificent character and indomitable spirit of Lee, that Kappa Alpha was born on December 21, 1865. The four founders, James W. Wood, William N. Scott, Stanhope M. Scott, and William A. Walsh, sought to establish an order of Christian knights whose ideals were those exemplified by General Lee. For this reason, though he was never initiated, Kappa Alpha considers General Lee to be its spiritual founder.

Every fraternity has its principles, ideals and spirit, and Kappa Alpha possesses them all with pride. No fraternity, however, has a right to exist which makes no contributions to humanity. Kappa Alpha is founded upon the desire and determination to build character and instill in young men the graces and virtues of Robert E. Lee. Kappa Alpha is not just another college fraternity; it is a way of life; a philosophy of living—a fact to which every brother will heartily attest. Its influence cannot be measured in tangible quantities; yet there exists nothing which is more real or substantial than the strong bonds of brotherhood between Kappa Alpha brothers.

It is not likely that any one of the four founders perceived the magnitude and excellence which Kappa Alpha was to attain. Since its inception in 1865, Kappa Alpha has expanded from one small chapter at Washington College to a national organization composed of 85 chapters and more than 45,000 members.

Tau Chapter at Wake Forest College was granted its charter on June 8, 1881; but no formal organization took place as the administration of the college did not allow fraternities. In 1922, however, Kappa Alpha became a concrete reality on the Wake Forest campus; and since that time Tau Chapter has distinguished itself both academically and socially and has earned the respect of the college administration and all other campus fraternities.
As an educator Robert E. Lee recognized the importance of a sound educational foundation for all young men. Today, possibly more so than at any other time in history, a big part in the success or failure of an individual is played by his education. The quality of education which an individual can receive at Wake Forest College cannot be bettered by any other school; the individual merely has to take advantage of his opportunities. Realizing that education does play such an important role in life, Kappa Alpha stresses scholarship above all other aspects of college life. Kappa Alpha believes that a young man's primary concern at college is to procure the best education that he possibly can; every KA is encouraged to achieve this noble ambition.

For the results of emphasizing scholarship one need only look at the large number of Kappa Alpha graduates. Many are now successful physicians, lawyers, ministers, businessmen, educators, and statesmen throughout the United States and the world. Two outstanding examples of our distinguished alumni are Dean Rusk, Secretary of State of the United States of America, and Carroll Weathers, Dean of the Wake Forest School of Law. When one becomes a Kappa Alpha, he follows in the footsteps of many great Americans.

Tau Chapter at Wake Forest has maintained an outstanding academic record through the years. We have repeatedly been awarded the Interfraternity Council scholarship cup during the past decade. At the end of the fall semester of this year Tau Chapter held a substantial lead over the other social fraternities in the competition for this cup. It is our hope to once again win this competition. Invariably in the spring of each year several Kappa Alphas are initiated into Phi Beta Kappa, the highest honor which a student can receive during his college career.

The present membership of Tau Chapter at Wake Forest promises to continue in this exemplary tradition. During the past year Tau Chapter has initiated the following young men: Paul E. Bowles, Jr., Welbourne F. Bronaugh, Jr., William F. Dickens, Jr., David Groves, Allan B. Head, Kenneth D. Kellum, William L. Poteat, Robert J. Ramseur, Frank M. Roebuck, Robert J. Sigel, Troy F. Stallard, Samuel J. Thios, John E. Turlington, and Walter F. Whitt, III. Out of these initiates and other Kappa Alphas will come many of the leaders of tomorrow.

THROUGH THE YEAR AT TAU
SOCIAL

A good college education demands more than just scholastic achievement. The ability to adjust oneself to varying life situations, to get along with others, and to bear the burden of responsibility is of utmost importance. With these ideas in mind, Kappa Alpha sponsors an outstanding program of social and other extra-curricular activities.

Early in a man’s college career he is introduced to the fraternity system through a series of separate formal smokers. This year Tau Chapter was privileged to have alumnus Brother Lucius Pullen, the Assistant Attorney General of the State of North Carolina, from Roanoke Rapids, as our featured speaker.

The fall semester was enlivened by frequent combo and house party weekends. Biggest of the gala weekends was Homecoming which called for a combo party Friday night, the Wake Forest vs. Duke football game on the following day, and a dance that night starring the great Ray Charles. To make the occasion complete Kappa Alpha won the Homecoming Decorations Trophy.

In October Tau chapter commemorated its fortieth anniversary with a banquet, and was honored to have Brother A. Paul Kitchin, Congressman from North Carolina, speak by telephone from Washington, D. C. Speaking also was Brother Carroll W. Weathers, Dean of Wake Forest School of Law.

During the Christmas season a party for the children from the Methodist Home for Children was held with one of the campus “sororities” in the chapter room. Santa Claus made an appearance and presented gifts to all the children.

Our annual Rose Ball closed out social activities for the first semester. At the affair, which was held at the Holiday Inn, Miss Anita Hatcher was crowned Tau Chapter’s Kappa Alpha Rose for the year.

To begin the second semester, the annual Convivium Banquet, in remembrance of Robert E. Lee, our spiritual founder, was held at the Town Steak House. W. McLeod Frampton, former Knight Commander of Kappa Alpha Order, spoke. The following night a party was held. Of the many party weekends held throughout the Spring, the highlight was the Interfraternity Council’s Greek Week. In May Tau Chapter migrated to Morehead City, North Carolina, for a weekend and established a beachhead in the Morehead Biltmore Hotel. Upon returning we settled down to exams and to uphold our campus leadership in scholastics.

With school over, we all parted for places unknown leaving only a skeleton force with the books. When Tau Chapter assembles in September we hope we shall be able to see and meet you. Just drop in and say hello.
OUR "ROSE"

"She's the sweetest girl in all the world,
The fairest flower that grows ..."

No more appropriate words can be found than these in the opening two lines of Kappa Alpha’s "Rose Song" to describe Tau Chapter's 1962-1963 "Rose", Miss Anita Hatcher. Anita, from Fayetteville, is a senior at Salem College in Winston-Salem, N. C. and is majoring in Home Economics. After graduation in June, Anita will marry Brother Robert Helms of Morganton, N. C. Active in many campus affairs at Salem, Anita is a member of the May Court and the Dansalems. She is also active in the Baptist Church. Anita enjoys all types of outdoor sports, especially water-skiing, tennis, and golf. Tau Chapter is very fond and quite proud of our "Rose", Miss Anita Hatcher.
WHO'S WHO IN KAPPA ALPHA'S TAU CHAPTER

ROBERT HOCUTT — Clayton, N. C.
Pledge Trainer of Tau Chapter '63-'64, Exchange Student to University of Berlin '62-'63, Honor's Program, Dean's List, George Foster Hankins Scholar, Varsity Baseball Team, Interfraternity Council, Outstanding Pledge.

WAYNE BURROUGHS — Daytona Beach, Fla.
Song Leader of Tau Chapter '62-'64, Freshman Basketball Team, Dean’s List, Member of the “Huntsmen”.
Dear

We of Tau Chapter of Kappa Alpha Order are happy to learn of your decision to attend Wake Forest College this fall and wish to congratulate you on a wise choice. You will find that attending college is one of the most important parts of your life, and we are sure that you will never regret your stay here at Wake Forest.

Your first days at Wake Forest will be spent taking orientation tests, registering, and familiarizing yourself with the operations and functions of the institution. Several members of Kappa Alpha will greet you soon after your arrival. It will be our pleasure to help you to become familiar with the campus and to brief you on many incidental matters. Do not hesitate to call on us if we can help you with any of these problems.

If you have any questions concerning school or rush week, please write and we will be more than happy to answer them. We are looking forward to seeing you this fall.

Sincerely,

Mac Alexander
Rush Chairman
