Dear Miss Paget

Could I seen a figure in blue walking in Winchelsea on the morning of Monday? We went up in a car & unloaded on the further side of the Church. I dashed across the chyd. & the Blue Figure was gone.

This morning I recd. your address from home & only write to say how sorry I was, am, was, am, was – I mean AM and WAS to miss you.

W. is a lovely place albeit windswept.

Yours v sincy  
Edward Elgar
