LITTLE THEATRE PLANS TO PRESENT ‘CLAUDIA’

SULLAY MASON

The well-known play Claudia by Rose Franken has been chosen by the Little Theatre as its next offering. Directed by Bill Moody, a veteran of the Middlesex Players, the show will be presented in the Small Auditorium at 8:15 p.m. from April 4 to 8, with a matinee at 3 p.m. on April 7. Both Moody and the veteran actor-clown will be in the cast.

Claudia is described as a beautiful creature who plays with innuendoes, fantasies, and the tragedy that surrounds them. It is a study of the women of today and tomorrow, and reveals the conflict between the old and new. The play is a study of human nature, and the forces that shape it.

The cast is made up of several of the finest actors in the Little Theatre, including Bill Moody, Rachel Scott, and Ted Wilson. The show promises to be a memorable one, and should not be missed.

FRATERNITY CEREMONIES

BRYAN WILLIAMS

The Beta Kappa chapter of Phi Kappa Psi was initiated at Wake Forest in the spring of 1945. The chapter is one of the oldest and most respected in the South, and has a long history of service to the college and community.

The initiation ceremony was held in the Small Auditorium, and was attended by the chapter's officers, members, and guests. The ceremony included the presentation of the charter, the laying on of the hands, and the singing of the fraternity song.

The initiation of new members is an important event in the life of a fraternity, and is a time of great excitement and anticipation. The Beta Kappa chapter is proud to welcome its new members, and wishes them all the best in their future endeavors.

THEOLOGY SEMINARY

ELIZABETH MORRISON

The theology seminary is an important part of the curriculum at Wake Forest, and is designed to prepare students for a career in the ministry. The seminary offers a wide range of courses, and is staffed by a team of experienced and dedicated faculty.

The seminary's curriculum is designed to provide a strong foundation in theology, and to prepare students for a life of service to God and humanity. The seminary's graduates are well-prepared to serve in a variety of roles, including as ministers, educators, and researchers.

The Decision Is Made

The die is cast. Men who have studied carefully the Roy Ole,ands' offer of $1,200,000 to Wake Forest and who put its best interests ahead of all other considerations have made the decision. Wake Forest College in due time will be moved to a larger and more impressive location. But it will still remain Wake Forest.

Perhaps there are some who still wish the vote yesterday might have been different, who believe, whether it is correct or not, that Wake Forest should have kept here, possibly even as a small college. It is possible, for example, as the late trustee to whom I have referred before, that the vote had gone the other way, but I believe that if Wake Forest now in reality does fulfill the fullest possibilities it must have some location which is more permanent, and which will be committed definitely to the future.

This is a healthy and intelligent attitude. Now that the decision has been made, let all men hope that the vote was right. Let us look ahead to the new location and see what it means. Let us see that Wake Forest does fulfill the opportunities of the new location.

Thepositio'n of the United States is the in- terest. Our citizens are their government must be acknowledged. They have previously not realized in this nation's life is contemporary af- fairs.

Compromise and sometimes oscillating moods reshaped into the buildmg during the wfe of the Grand Council discussed several important questions. The major question, of course, was the manner in which the states would be grouped in a might be preserved. Mr. Brinkley, from the other, offered that all states be grouped. Covering the Field

The Wake County Alumni of Wake Forest gave the football team a barbeque Wednesday morning at Milburne's place. It was a huge success, and everyone seems to have had a swell time.

The alumni sent a special bus after the boys arrived around 5 o'clock. The afternoon, and despite the fact that the alumni played about 12 miles from here and no snow was expected, we too could not reach the game. Now the Spartans, Dean Caliva, Herb Appenzeller, and I went for fishing and no sooner were we there than we began to search for some worms. At last we had them found, and we found them in a field at the side of Jimmy Shumaker. They must have been winter玮ers, for the fish didn't take to them very well. After that we were free, and we only lasted two, but we were a whopper, every bit of three hours and a few minutes. John looked so good and happy, he had a hook on a (monster compared with the other two. Perhaps, the devil of the catch was short-lived, as the big fellow airon himself free before John could get him on the pole. John looked at him as if his mouth was to say, "Well, it's a big fish, isn't it?" and he looked at him a big face on a (monster compared with the other two. He received a big hand. He peat their names. John)

stood in silent tribute to the late football great, who lost his life in the army. John Perry, a former Deacon player, was also presented with the Deacons' most valuable player award.

Wade of Duke expects to have George Clark back by next fall. He is taking an Air Force uniform into football tods, and he will be missed. The team could never put two men and a monster compared with the other two. This year the softball fields. The only softball field for the past seven years has been at the army base in Norfolk, Virginia. John Perry, a former Deacon player, was also presented with the Deacons' most valuable player award.

Well, this week I want to say something about the softball fields.

It is very rough and couldn't be called an athletic field, but it is time to act so that we can get him a couple of fans. The alumni were then introduced, each of them in track squad has brightened the team, including Oscar Gwinn, and Joyner are the outstanding men in the quarter mile. Oscar is taking the difficult role of pole vaulter. The javelin.

Terrier coach Dave Tally of Davidson, who is a former All-American, has been working out for the past week, and he has been presented with the Deacons' most valuable player award.

The addition of several boys to the track squad has brightened the team. The squad already included several outstanding men, including George Clark back he had to be missed. This trip only. Any of the followings may break the ice with Rock Milburne's place.

Eli Galloway was selected as chairman of the board and presented the group's shirt to the Club Monday night. From this time, the students mentioned above are selected as members of the Football Club.
