Deacon, Outstanding Actors, 2 Deans Chosen

Legislature Approves

DR. TRIBBLE APPOINTS TWO TO DEAN'S OFFICE

The appointment of an acting dean of women and an assistant dean has been announced by President R. W. Tribble.

These three faculty positions were created by the resignation of Dean Emma Fulkerson who resigned to accept the position of dean of women at an institution in the South.
Discussion of Novel Results In No Action

By a vote of 17-9, with four abstaining, the Board of Trustees of Wake Forest College Wednesday adopted a resolution with regard to "The Education of Jonathan Bean," or to its author, Russell Brantley.
The Trustees passed the following resolution, 164:
"After very full discussion, the Board has been unable to reach a consensus on the question of the admission of the author of "The Education of Jonathan Bean" to the Wake Forest campus, or to its author, Russell Brantley: Brantley's book has been rejected by the Macmillan Company March 11; it has failed to win a great deal of commentary, especially in Baptist circles.
The novel represents the erroneous views of Jonathan Bean, a Baptist North Carolina farm boy, during his first year at Cavenstion College, a Baptist church-related school, thus amounting to campaigning on campus.

Deans Ranked Third In U. S.

RUSSELL BRANTLEY, author of "The Education of Jonathan Bean," stands in the doorway of his office after a vivid and revealing discussion of his controversial novel. The controversy is chronic in one of the top stories of the year.

Resolutions Say "No" To Silas Creek Road

NOV. 30—Resolutions opposing the extension of the Elite Creek Parkway across Wake Forest property are adopted by the Wake Forest faculty; the student body, and the Student Government Association. Whether the resolution is passed in the Senate...the faculty vote was 8-1 to pass it. The student vote was 77 in favor, 4 against.

The concern of the faculty over the extension of the Elite Creek Parkway across Wake Forest property is based on the following: "The extension of the Elite Creek Parkway across Wake Forest property will have a detrimental effect on the campus atmosphere, the student body, and the Student Government Association. Whether the resolution is passed in the Senate...the faculty vote was 8-1 to pass it. The student vote was 77 in favor, 4 against.

Return Takes Issue With "Student" Contents

MISS JOHNSON, who is the only writer in the history of the 'Student' magazine, has been chosen for her usefulness.

W.F. Receives Grant

WF receives a five-year grant from the National Science Foundation for the study of the relationship of biology to society. The grant is to be used for expansion of the college's facilities in the biological sciences.

Miss Johnson Elects To Leave Her Office

MAY 14—Lois Johnson, dean of women for Wake Forest College, has been elected to succeed her. The decision was made by the faculty after a secret ballot was taken.

Nothing has been won over the old campus by the college, although the question has not been finally decided. Dr. Graham Pays Visit To Campus

MAY 26—Reputedly Billy Graham has paid an unannounced visit to Wake Forest College.

- The New York Times writes that Billy Graham was seen three times in various settings and was in regular contact with Miss Johnson, who is the only writer in the history of the 'Student' magazine, has been chosen for her usefulness.

"...the faculty go out recitations...""...Miss Johnson is the only writer in the history of the 'Student' magazine, has been chosen for her usefulness."
Kipphan Ends Stay At College

By ADRIAN KONG

Klaus Kipphan of Wake Forest's German exchange student, related some of his memory of the United States. Klaus was in the University for a year, in German.

The responsibility that has so long been the invaluable asset of the Wake Forest College community is not a recent phenomenon. For instance, when we evolved from Wake Forest into a constitutional democracy, the role of the Wake Forest College student was to be the voice of the people. By the very nature of becoming a candidate for this degree, in the United States, we accepted the responsibility of being on the ballot in the final elections. This is not to say that all students will necessarily rise to this challenge. But it is to say that each individual has the opportunity to rise to this challenge. Our role asWake Forest College students is to be the voice of the people. We are the people, and we have the power to make a difference. We are the future of Wake Forest College.

What is life? Life is a moment. It is the moment when we experience something new and different. It is the moment when we feel alive. It is the moment when we connect with something greater than ourselves. It is the moment when we have the opportunity to make a difference. It is the moment when we can choose to be happy or to be miserable. It is the moment when we can choose to be kind or to be cruel. It is the moment when we can choose to be true to ourselves or to be false to ourselves. It is the moment when we can choose to be free or to be bound.

Salute to The President

By Harold Wayland Tribble

This is a special message to the student body of Wake Forest College. Since coming to Wake Forest in the fall of 1961, I have been a great admirer of the President. His dedication to the cause of education has been an inspiration to all of us. His commitment to the ideals of democracy and free speech have been an example to us all. His leadership during this war has been outstanding. His contribution to the cause of education has been invaluable.

A Day With President Is Hectic

BY ADRIAN KEMP
Assistant Editor

What is a day like for Dr. Randall W. Tribble, President of Wake Forest College?

May 31, 1953

It is 9:10 a.m. and the president of Wake Forest was already being bothered by the phone, Mr. James Decker, Mr. Tribble's secretary, came in at 8:15 to mention that the president had several appointments to be made and that the call was coming in on the president's office. Mr. Tribble was interrupted by phone calls and the president had to be interrupted to handle the phone calls. The president was told that the phone call was coming in on the president's office. Mr. Tribble was interrupted by phone calls and the president had to be interrupted to handle the phone calls.

Several times Mr. Drake interrupted Mr. Tribble by phone calls and the president had to be interrupted to handle the phone calls. The president was told that the phone call was coming in on the president's office. Mr. Tribble was interrupted by phone calls and the president had to be interrupted to handle the phone calls.

Jim Cook from the Treasurer's office called to inquire about the president. Dean Edwin G. Wilson hurried in to see Mr. Tribble. Miss Fuller's program will be presented to the president. The president explained that the president of the College has the power to make appointments with the president. The president was interrupted by phone calls and the president had to be interrupted to handle the phone calls.

When asked what he likes best in his position as president, Mr. Tribble added that the president of the College, Dr. of time he has with, the students is the most interesting. With a pre-arranged meeting for that purpose.

President Tribble enjoys the responsibility of his position as President of Wake Forest College. He feels that the president of the College is the most interesting. With a pre-arranged meeting for that purpose.

Dr. Jack Sawyer of the Math Department came by to discuss plans for the next fall to study toward a master's degree under the tutelage of Jonathan Whitaker. Miss Fuller's program will be presented to the president. The president explained that the president of the College has the power to make appointments with the president. The president was interrupted by phone calls and the president had to be interrupted to handle the phone calls.

Tera Frizzelle, and Anne Tate replies to mail, made a few telephone calls and reported that Miss Fuller's program will be presented to the president. The president explained that the president of the College has the power to make appointments with the president. The president was interrupted by phone calls and the president had to be interrupted to handle the phone calls.

There she found that her master's degree under the tutelage of Jonathan Whitaker. Miss Fuller's program will be presented to the president. The president explained that the president of the College has the power to make appointments with the president. The president was interrupted by phone calls and the president had to be interrupted to handle the phone calls.

Coon Attracts Pros

By BILL BRYNE

Professional-baseball scouts have been visiting Ernie Shores Field frequently of late to get a closer look at Roger Coon. They're plentiful in the season of '61-'62 with Roger's batting in high gear. The Wake Forest's third baseman has been making a steady improvement in his hitting over the years. A 1960-'61 second baseman, Roger has been following the Deacs' first baseman as he has added some muscle to his game.

The Wake Forest right-handed batter has been making a steady improvement in his hitting over the years. A 1960-'61 second baseman, Roger has been following the Deacs' first baseman as he has added some muscle to his game. Roger has taken to hitting from the left side of the plate this year, and his improvement has been noticeable. In addition, Roger has been working on his fielding, and he is now considered one of the better third basemen in the country.

During this past year I have had the privilege of following, supporting, and writing about Deacon athletics. Many fine memories of unforgettable experiences fill my mental records. I always cherish and never forget.

The world's greatest golfer, Arnold Palmer, when he was in Winston in the fall for a benefit match for the Buddy Stovey Scholarship Fund, was flubbed by a few questions in addition to being the best golfer of all time... talking about his golfing tour, he still had his golfing togs on after he had helped the Deacs beat the Clemson Tigers, 17-13, in a thrilling contest.

The Man-Mountain Len Chappell... watching Roger Coon get a tremendous jump on an opposing batter's hit and then steal second base, a day Mon.-Sat. at Old Town Pharmacy.

the Coryell brothers... watching the Demon footballers had turned back the Clemson Tigers, 17-13, a day Mon.-Sat. at Old Town Pharmacy.

his Coon... watching the Demon footballers had turned back the Clemson Tigers, 17-13, a day Mon.-Sat. at Old Town Pharmacy.

the Coryell brothers... watching the Demon footballers had turned back the Clemson Tigers, 17-13, a day Mon.-Sat. at Old Town Pharmacy.

The game was the rubber match of the season between the two teams, as the Tigers of the Wake Forest had defeated the Deacons in the first game of the series. The Deacons had been leading for most of the game, but the Tigers came back to tie the score in the ninth inning. The Deacons then scored in the tenth inning to win the game.

Big Surprises Come In Little Packages

Over the hill...and over the biggest surprise of the year, for that matter. If one were to take a peek at the record of the Wake Deacs basketball team, he would find nothing to indicate the team was capable of anything more than mediocrity. And yet the Deacs, under the able leadership of Coach Jack Stallings, managed to amaze the entire nation with a late-season burst that brought them to within a few points of a national title.

The team began the season with a 6-1 record, but things didn't look up too bright for the Deacs. However, the team continued to win, and by the end of the season, they had compiled a 23-5 record, which was good enough for second place in the ACC.

The successful season was marked by a number of key players, including Joe Donald Nichols, who was named the Most Valuable Player of the ACC. Other key players included Brian Keyes, who was named the Most Improved Player, and Dan Rugger, who was named the Outstanding Forward.

The season was capped off with a victory over the N. C. State Wolfpack in the ACC Championship game, which was won by the Deacs in overtime, 72-69.

The Deacs were led by Coach Jack Stallings, who was named the ACC Coach of the Year.

This was a great season for the Deacs, and it showed that with hard work and dedication, anything is possible.
