Wake Forest Is To Have Branch Summer School At New Bern This Year

Two New Buildings Are Now Being Constructed To House the Students

PEOPLE OF NEW HERN, VERY ENTHRALLING

School Will Be Located on Beautiful Bluff Overlooking the Neuse River

Following communication between school officials at New Bern and the Department of Home, plans have definitely materialized whereby Wake Forest College may have its summer college. In the current session of the General Assembly, under the same management as that of the college itself, a bill was passed providing for the establishment of a branch school for the purpose of which a building site in the city was purchased, and all credits for the state determination would cause it to be opened directly through the school. As soon as the building plans are developed, construction will be started.

The idea originated in New Bern, and as the plans are made for the college several days ago followed by a visit to the city by several prominent philosophers, who, with hardly a show of Dr. Paul A. Bagby, chaplain of the college, who was visiting Dr. McNeill Poteat, president of Wake Forest, and is spending a few weeks this summer in France on the railway lines of the school, and Dr. Bagby, early summer, had occasion to talk about the plans.

The plan of the campaign is to raise $150,000 for the summer college under the supervision of the library committee, and the trustees for their ratification before being placed either at the south or at the north end of the campus. This will be near the campus. This will be near the

The Recent Revival

Our meeting, which begins March 21st, is expected to be a great success. The plans for this event are being finalized. We are looking forward to a great turnout and a wonderful evening.

Preparations for the meeting have already begun. The committee has been working hard to ensure that everything is in order and that there will be no last-minute problems. Everyone has been assigned to their tasks, and we are confident that everything will be ready by the time of the meeting.

The committee has also been meeting with the school's administration to ensure that all procedures are in place and that everything runs smoothly. We are working closely with the faculty and staff to make sure that everyone is fully prepared for the meeting.

The meeting will be held in the school gymnasium, and we expect a large turnout. The doors will open at 7:00 P.M., and the program will begin at 7:30 P.M.

We encourage all students, faculty, and staff to attend this important event. It is an opportunity to come together and support our community.

Thank you for your support, and we look forward to seeing you there!
