Work Progresses On New Campus

Despite the delay caused by the record amount of rainfall from late April through the summer, much work has been accomplished on the new campus. The August move-in date is intended for the fall semester; however, the delay may be affected by late season cold and wetness. Though the Virginia season may be used for landscaping, much of the ground improvement must wait until the spring. The total cost of the project is estimated at $3,100,000.

Dr. James C. Fishback, head of the Grounds Committee, said a number of improvements are expected from the new campus. Among these are a large gymnasium, a swimming pool, and additional classrooms. The location of the new campus is on the corner of North Carolina and Third Streets. The first phase of the project will be the construction of a new building on the site of the old college building. The building will be used for administrative offices and classrooms. The second phase will be the construction of a new dormitory and student center. The third phase will be the construction of a new athletic facility.

CHEATING IS CHEATING

The problem of the year is what to do about cheating. The problem has been discussed in the classrooms, in the offices, and in the hallways. No one seems to be able to agree on what should be done.

Take your choice. There is no need to cheat. You can do all that you want to do without cheating. You can do all that you want to do without cheating.

Deacons Favored Over Eagles In Winston

**Young Team Comes South For First Show**

By Harold Powell

According to the 3-1-5 record in their last game, Wake Forest has a chance to start the gridiron season right. The Deacons have not lost a home game this year and are 2-2-1 against South Carolina in the decade.

The Deacons will take on the Eagles on Saturday in Winston-Salem in the regular season opener for both teams.

Another Jackson Lewis, Jr., "Mr. Deac," has a good chance of winning this Fall, the second football All-American recognition in the history of Wake Forest.

Last season Bill George represented Demon Deacs on all Mid-American tournament teams. Lewis, a junior, played 32 minutes of every game, coming to the attention of the coaches.

On the campus and in the newspapers, as well as on the national scene, the Demon Deacons have been active in football activities of Wake Forest College and the Southern Conference.

**Baylor Bears Edge Out WF By 17-14, Troy**

By Bill Hendrick

The Intramural Program, which has always played a substantial part in the various activities of the university, has been awarded a new lease on life this year. It is expected to provide several exciting games as an outstanding feature of the season.

The Deacons went to Waco, Texas, and won the game handed one of the best teams in the South. The Bears of Baylor University, is the most improved team in the South.

**Inttramural Sports Start Today, Rules Are Made**

By Joe Willard

What better way is there to start a football season than with a game of football? When the Demon Deacons returned to the old North State after their tremendous showing against the Baylor Bears, they were showered with a little of thevided that will be hailing them throughout the season. About 140 students and fans turned out to greet them at the Raleigh-Durham Airport, and if it had been a decade ago, instead of a Black & White in the morning, they would have been three times the number on hand. It might be said that one gentleman traveled from Fayetteville to greet the Deacons on their return. He had never gone to Wake Forest but did have any member of his family here, but he was there to show that he was a football fan that could show what the Baptist Hollow men had shown that afternoon.

To Winston

The Athletic Department is doing a great thing this coming Saturday when they are providing planes to carry the students to see their gridiron representatives play in the city that will be their future home. Wake Forest has been playing the Eagles and Owls since 1942, but this year will be the first time for the Demon Deacons.

Deacs Whip W&M To Get First Game

The Wake Forest Deacons took their first victory of the season at the happy beating ground of the William and Mary Indians Saturday afternoon. The score was 28-21.

In the first quarter the Indians scored only once, the touchdown, Bruce Hillenbrand scored on an end run by the Indians, and one play to even the season record at 1-1.

The Deacons kicked off with the 14-0 lead, and W &M failed to get a first down on their opening drive and resumed the Indian line to go 15-10-yard line, and the Deacons were ahead, 14-0.

Two Indian running plays got it back to their own two-yard line. But the ball was then tackled by the Deacons. But they failed to regain their kick out of danger to their own territory and one play later. Link and others.

Baptists put their own 10.

Four years ago the Deacons were in the chips again, and the Deacons were ahead, 14-0. W &M bounced back from the loss, 15-10. By Alligator, Koresole and Flip-it.
