Meredith, Shore Open Campaign For United Way

By SCOTT PETERSON
Assistant News Editor

Dick Shaw and Dee Meredith were celebrity guests at Wednesday's United Way kickoff rally on the Magnolia Court. President Thomas H. Hearn Jr., United Way chairman for the Winston-Salem/Forsyth County area, welcomed the guests to the rally. "We have to go to school to get to see all the good that United Way does," he said.

The rally was held on Magnolia Court to kick off the United Way campaign Wednesday.

Deena Prepare to Meet Army

By DAVID DAUGHERTY
Assistant News Editor

Wake Forest administrators do not fear a reduction in contributions to United Way resulting from the Tax Reform Act. "The number of charitable contributions that will be deductible under the Tax Reform Act will call for cuts in tax deductions from approximately $2,215,000 in the various human services of its individual charities. The Wmston-Salem/Forsyth County United Way represents more than 50 charities in the Winston-Salem area. It receives budget requests from 119 individual nonprofits, and requests those nonprofit organizations to form committees to fundraise for the causes they support. The goal is to get people to increase their giving to raise the money needed to continue its plans for campus buildings and more modem technology. The leadership conference allowed students and administrators to learn about the atmosphere, to work together to come up with ideas about how to deal with important campus problems, he said. The alumni office plans to keep the forums for fund raising, but not to charge. A short addition to the telethon is the only factor contributing to the telethon. Any decrease in income may affect future operations of the university. Because of the importance of the alumni office to the campus and to help students develop their knowledge in this area will also allow students to gain skills that will be useful in their career. According to a report, a major flaw with the knowledge of what computer science is as well as its importance. To solve a problem and to help deal with the problem, it said. A major flaw in computer science education is that the curriculum of the main campus does not always include computer science. It has been pointed out that computer science is a liberal art and should be offered as such. Presently, the department uses a prime 50 system which was created because of the knowledge that this area will probably be out of use as fast as possible. **Alumni Renovate Dixie Sign House**

*By BROOK DAVIS*

The alumni brothers of Delta Sigma Phi, under the leadership of alumni advisor Bob Stefanowski and the Dixie Sign House, spent the summer months working on the Dixie Sign House. The renovation has been the most significant one for the house in the past seven years.

The brothers hope that the changes will quickly make their home more welcoming. "Like all fraternities, we feed our men, and this has been going on for 10 years," Stefanowski said. "But, we want to increase the comfort level for our brothers so that they will want to get their Dixie Sign back in the fall." Stefanowski continued that the most significant renovation is the removal of the old kitchen and the new kitchen area that will feature a counter where the brothers can prepare snacks and socialize. The old kitchen will be used for storage.

In March, Stefanowski began to raise money for renovation. He announced that the brothers had collected $15,000 and $2,000 from the chapter.

Stefanowski then discussed with Case的具体努力才能使该计划得以实现。他指出，在过去，兄弟会的资金主要来源于兄弟会的捐款，而这次他们将首先筹集$15,000和$2,000的捐款，然后开始筹款活动，直到筹集到足够的资金才能开始进行计划的实施。

The modifications took place over the summer, at an estimated cost of $300. Throughout the breaks, old sofas and chairs were replaced in the previously unused room.
Levesque Says Preparation Is Key to Job Hunting Success

Levesque cited several im­plications of communication skills and said students should be aware of their own abilities. He stressed the importance of awareness to students and said that in order to determine what they want to do after graduation they need to be aware of what employers are looking for.

Terrorism Symposium Highlights Fall Lecture Events

Creefe M. Varhild University

A four-session mini-course in self-defense will be offered by the counseling center on Monday, Nov. 14, at 7 p.m. in the Davis Chapel. All interested parties are invited to attend.

Golden Tells of Contra Activities in Nicaragua

By BOB MARTIN

Old Gold and Black Reporter

On Monday, Nov. 14, at 7 p.m., the Wake Forest Counseling Center will host a four-session mini-course in self-defense for students. The course is being offered by the counseling center as a way to help students prepare for potential situations they may encounter in the future.

According to the counseling center, the mini-course will cover topics such as basic self-defense techniques, situational awareness, and strategies for dealing with potential threats.

The course will be taught by an experienced self-defense instructor who will provide hands-on training and practical exercises to help students develop their skills.

The course will meet once a week for four weeks, on Mondays from 7 p.m. to 8 p.m. in the Davis Chapel.

For more information or to register, please contact the counseling center at 336-756-2551.
Athletic Dorms

In the fall of 1982, the students were living in their new dorms, Palmer/Piccolo. However, the students were physically separated from the main campus, which was a problem for the first time. One of the main reasons given at the time was the need for special study needs.

In addition, the athletic department saw the need for a new dorm, as the old dorms were not up to par. The new dorms were designed to accommodate the growing student population.

The students were very happy with the new dorms, as they were much larger and more modern than the old ones. The dorms were equipped with all the latest amenities, including air conditioning and laundry facilities.

The dorms were also designed to be more secure, with security officers patrolling the buildings at all times. The students were very satisfied with the new dorms, and many of them said that they would not have minded living there all year.

Mr. John Smith, a resident of the new dorms, said, "I love my new dorm. It's so much bigger and better than the old one. I can't wait to move back here next year."
The most important line of the book was the title of the Republic of South Africa, as an attempt to change the name of the country. The name is not representative of the people of the area and it is not representative of the political, economic, or social reality of the country. The name of the country should be changed to a name that reflects the true reality of the area.

The cover of the book is well done and it is clear that the author is trying to communicate the true reality of the area. The cover is simple but effective and it draws the attention of the reader.

In conclusion, the book "Re-evaluate Your Position" is a well-written and informative book that provides a clear and concise view of the political, economic, and social reality of the Republic of South Africa. It is a must-read for anyone who is interested in understanding the true reality of the area.

The book is available in both South Africa and internationally. It is available in both print and electronic formats.

Readers who are interested in understanding the true reality of the area are encouraged to read "Re-evaluate Your Position" and to share their thoughts and experiences on the book.

The book "Re-evaluate Your Position" is a valuable resource for anyone who is interested in understanding the true reality of the Republic of South Africa. It is a must-read for anyone who is interested in understanding the true reality of the area.

Readers who are interested in understanding the true reality of the area are encouraged to read "Re-evaluate Your Position" and to share their thoughts and experiences on the book.

Dear Reader,

The debate season is upon us, and like the athletes who prepare for their seasons, we are gearing up for the debate season ahead. The National Debate Tournament is an annual event that brings together the best debaters from across the country to compete for the title of national champion. The tournament is a showcase of dynamic arguments and eloquent delivery, with each competition bringing new twists and turns to the ever-evolving field of debate.

The debate format at Old Gold and the debate society continue to evolve, with new rules and regulations being introduced to keep the competition fresh and exciting for all participants. The debate society is dedicated to providing a platform for students to hone their public speaking and critical thinking skills, and we look forward to seeing the growth and development of our debaters throughout the season.

As always, we encourage our students to participate in debate competitions to gain valuable experience and to represent Old Gold and the debate society with pride. We are confident that our team will once again prove their skills and determination to succeed on the national stage.

Sincerely,

[Signature]

Wake Forest Radio Plans Changes

By Sandra Melnicken

Wake Forest Radio is making changes. It has scheduled the Morse Center for its fall programming. The Morse Center is located in Reynolda Hall near completion, the full program will open in a few weeks, according to students who are interested in the arts. This new programming is designed to branch music into different areas, to bring in new listeners. The Morse Center will be available for students to use, to give them more exposure to their music. Students are encouraged to use the Morse Center. Everyone is excited to see what will happen at Wake Forest Radio. We are looking forward to more professional techniques and increasing efficiency of the radio station to get the most value out of their money in our area. This year is going to be the best year ever for Wake Forest Radio. "We have added a lot of new programs to create more exposure for the students. But that's only one of the options we're offering," said a student at FSU Radio. "We're looking forward to more great music coming up this year."

University Theater Begins Fall Season

By Gary Larson

The Wake Forest University Student Gallery is now open in the Student Union and features more than 20 art works on display. This is the second year that students have made their own art gallery. The gallery is located in the Student Union and features works by Wake Forest students. The gallery will be open from 10 a.m. to 5 p.m. Monday through Friday. The Student Union is located on Wilkesboro Street.

Alex Haley Lectures on ‘Roots’ at SECCA

By ROBERT N. WILSON
Old Gold and Black Reporter

At an informal discussion at the Southeastern Center for Contemporary Art (SECCA) on Sept. 6th, brought together the controversial experience of Alex Haley’s book, the biggest bestseller since War and Peace, publishing. Over five hundred people were on hand to hear Haley make the experiences that he is a best-selling novel and a literary career, as well as the public reaction to his book.

Haley used this evening’s program to provide a platform for his first-hand experience, the story of the material and financial success that he has achieved. The novel that has made him a multi-millionaire has been heretofore his personal experience and his own approach to the question of racial identity to those who have none.

The university is active in preparing the Magnolia Room for presentation, getting in touch with outstanding books, but had changes in art being done to the room. It is presently considerations going on, and many of the exhibits that are the art of the room will, but is a, no longer longer being considered, and in many of the pieces to be shown.

Student

Association and Boosters offer the atlantic drams, both of them.

Stein

There is enough room from envoys to the university to go back through the books for the former. They should be in a room for people with good grades who want to live off campus. Delusions said.

The program was separated in two offices, the student’s room and the student’s room, and a general office of the student’s room, and the student’s room, and the student’s room, and the student’s room.

LaMattina said the idea for the conference came from a desire to help the students to better their grades. The purpose of the conference was to provide students with the tools needed to improve their own skills in their own work.

The conference will be an annual event. Students should be encouraged to bring their own ideas and experiences to the conference in order to share them with others.

BOBBY ALLISON and MILLER BEER

It takes more than desire to become a legend. It takes a will to become superior to the competition.

These are the qualities that have driven Bobby Allison to over 50 NASCAR victories, the Grand National Championship and virtually every other major award that has to offer.

And so we want a beer that’s not just good, the best, but a Miller. Just like Bobby Allison, it’s a legend made the American way.

CLASSIFIEDS

£600 PER HUNDRED PAGES starts from $2.50 is the lowest possible, non-profitive, no questions asked, call 723-2460 or 899-4210.

WATTINESS POSITIONS available part and full-time. Apply in person only. Call cell at ext. 5823 or 717-5407 evenings.

PHOTOGRAPHER - Professional Photography Firm seeking permanent part-time help. Excellent pay and a great opportunity. Please call at 767-8249.

SMITH, John, 20, is interested in photography. Will call at 767-8249.

WANTED!! Agricultural, automotive students to work in Science, Break vacations! For more information, call Student Travel Service at 1-800-660-4831.

The conference is to be arranged. Students should be encouraged to bring their own ideas and experiences to the conference in order to share them with others.

**Football Team Ready To Face Army**

**By ROB GLOVER**

The Wake Forest football team will travel tomorrow to West Point, N.Y. to take on the Cadets of the United States Military Academy. It will be the 121st meeting between the two teams, and Army holds a 68-47-5 advantage. The Cadets have won the last seven games, but the Deacons have scored 70 points to 20 in the last seven games, and Army has scored 385 points to 241. The Deacons were 7-4 last season at both Wake Forest and Middle Tennessee State, and coach Jim Young brought a 4-2-2 record into his first season's opener. They defeated DePauw 42-38, but in last season's opener, they defeated New Mexico State 51-15.

Despite losses of 13 players, Army went into its opener with a Freshman enthusiasm in more ways than one, with the exception of left offensive guard, where junior Scott Eaves is injured. This indicates Army has players with valuable game experience from last season, and fans are excited to see the various replacements that will take its place. The Wake Forest returnees will be junior quarterback John Goodridge, who completed 51 of 100 passes for 429 yards, which led the team in passing; running back Steve Elkins, who led the team in rushing with 404 yards and four touchdowns, as well as junior fullback Andy Peterson, who scored four touchdowns.

The Cadets kicked off with a 42-38 loss at the hands of Wake Forest. But this victory over Army will give the Deacons confidence back up. This is a great opportunity for us to show the Army what we're all about. Our team is ready to take on the challenge.
Navy's Pion, Dominique Malone. Also on the Bullets in the tallest player parking problems to the game.

Reserved seat tickets go on sale Monday, September 30th at 8 a.m. at the Box Office. NFL star and Cleveland's St. Joseph's High school football player, Steve Lambert, will be honored at the game as a Chicago businessman. He was also a member of the National Hockey Society.

Parking Problems

Wake Forest students planning to attend either the Virginia or North Carolina football games are asked to participate in these parking problems. The wake Forest police, which run on Oct. 3rd, limited parking will be available. Students are encouraged to carpool or walk to the game.

Hawks-Bullets to Play Here

The Atlanta Hawks and Washington Bullets will square off in an NBA exhibition game at the Wake Forest Memorial Coliseum on Monday, October 29th. The Hawks, a team that many are newly acquired Moses Malone, are the Western Conference leaders of the NBA, 73-97, third place.

The Hawks finished last year's NBA scoring champion, Maurice Walker, as well as former NBA star Allen Cates and his brother Gary. The Bullets, a team that many are improving, Moses Malone, is the team to beat in the Eastern Conference this year.

The Bullets are led by John Havlicek, who was the league's leading scorer last season. The Bullets, on the other hand, rest on Moses Malone, who was the league's leading scorer last season.

The Bullets, led by Havlicek, are the team to beat in the Eastern Conference this year.
Blue Devils Hand Deacons First Loss 3-0

By Craig Martin
The Gold and Black Reporter

Duke handed Wake Forest its worst hockey颓在本学期的3-0系列赛中，在达勒姆。在最后，达勒姆的Wendelboe和Rashed-Munson女士的场合。

The Blue Devils, led by all-first team All-American Bradley Fort, scored the winning goal in the first period to secure the victory. The win dropped Wake Forest to 7-3 on the season.

Michele Bernard's goal at the 27:59 mark of the first period sealed the Deacons for a 2-0 lead over Boston in a Saturday game against Wake Forest. The game was played loose and fast-paced with many scoring chances.

Duke's second goal, a 20-yarder off a pass from Michele Bernard, came on a penalty shot. Wake Forest had committed twelve service errors, sending the Deacons to overtime. The Deacons were the only team to hold Wake Forest scoreless in the second period.

Upon graduation from college in the fall, Van Wijk spent the winter playing on the French team in the French league. She was a national of Leiden, Holland, where she lived until she came to the United States several years ago.

When asked about her performance at Wake Forest, Van Wijk replied, "I also played in a few matches, but my main goal was to study in the United States.

"I played being a 19-year-old and I was not yet used to the fast pace of international tennis. I began asking about the scholarships and asked Wake Forest if I could be able to obtain a scholarship to play tennis at Wake Forest. The coaches were interested in me. They played for thirty minutes, not used to this level of tennis."

Wendelboe was asked about her performance at Wake Forest. "I have no idea what the other teams have. It will be tough."

"We win along great at a team. We need to keep building the confidence," she added.

On the defensive side, Van Wijk is an excellent player. She hopes to use her speed to her advantage and make the necessary connections.

Michele Bernard's three goals pushed her over the top to become the Wake Forest all-time leading scorer with 24 goals in her career. The Deacons will square off against Salem today.

Maxi Grindmich's three goals also had Wake Forest's field hockey program to the next level. He had learned to play on the red clay there, which is what Van Wijk is used to playing on. The Deacons' philosophy is why he chose Wake Forest.

"I liked what I saw. I discussed it with my family and decided to come here. I still believe that it was the best decision.

"It is basically the same team that we had last year. I don't know if we have any different players. It will be tough."

"I have no idea what the other teams have. It will be tough."

"When we win along great at a team. We need to keep building the confidence," she added.

Van Wijk Provides International Experience For Tennis Squad

By Jackie Van Wijk...
Deacons Lose Shootout Against N.C. State, 42-38

Eric Kramer threw a 15-yard shovel pass to junior Demetrius Rivas with 40 left in only North Carolina State's 6-12 interval from behind victory over Wake Forest.

After falling behind 24-7 in the first quarter, the Wolfpack scored 21 points in the third quarter to take a 27-24 lead. The two teams then traded touchdowns before a 50-yard pass from Mike Elkins to Chad Pearsall gave the Deacons their last lead, 34-32 with 2:23 left.

N.C. State then matched 69 yards in 15 plays for the winning score. The Wolfpack controlled four third-down opportunities on the decisive drive.

Wake Forest had one last chance on a drive to the N.C. State 39 behind a 20-yard completion from Elkins to James Brim and a 30-yard strike to Marco Pickert. Following an illegal procedure penalty that moved the ball back to the 44, Elkins then passed downfield on a desperation attempt by Greg Harris in the end zone.

The Deacons jumped out to a 29-7 lead behind a Wilmarie Field goal, a 13-yard touchdown run by Rivas, and a 40-yard interception return for a score by Dexter Foster. Elkins then completed 38 of 54 passes (67 percent) for 429 yards. Rivas set a new Wake Forest record by rushing for 116 yards.

Women's Tennis Team Performs Well At Big Four Invitational

By JARIN D. WHITE
Associated Press Writer

The Wake Forest women's tennis team was seeded in the championship and met in the first round against Duke University, North Carolina and N.C. State. The tournament was set up in two flights with the top four seeds from each flight not facing each other in round one.

Women are not officially kept score of the tournament, so no points are kept. However, because of the high level of play, the tournament is widely regarded as one of the best in the country.

The Wake Forest team, seeded in the first round of the tournament as well as in the first round of the consolation flight, did not play well enough to make it into the finals of the singles competition.

This weekend, the Deacons host the Wake Forest Invitational Tennis Tournament at the Varsity Courts, and are welcoming a very solid field.

The most demanding, challenging, enlightening, rigorous, satisfying, difficult, rewarding, motivating and exciting course you can take in college.
