KNIGHTS OF THE CURVE BALL  

The formation of a new co-active club upon the local scene, an organization known familiarly as "Mystic Knights of the Curve Ball," has evoked many strong reactions from the unwary. It is by no means a group of boys, but a group of girls.  

The curious appearance of the women involved is not one to be observed with suspicion. The members of this society have gathered around the recent opening of the newest business in the downtown area, "Wake Forest's Sporting Goods."  

Those who have witnessed the appearance of the girls are temporarily bitter of futility that arises when the new bubble bursts, and, until the fire is put out, affairs of the heart will be in a precarious state.  

Those who have been denied the joy of knowing these young men are temporarily bitter of futility that arises when the new bubble bursts, and, until the fire is put out, affairs of the heart will be in a precarious state.

Clemson chooses opponents team
Kitchin and Riley Smith of Alabama Pull Highest Number of Votes

In Clemson's series of games, Kitchin and Riley Smith were chosen as the opponents for the year. Kitchin was the only unanimously elected player. Demon Deacons put up a valiant fight but fell short of victory.

Johnston, State; and

Henry Cathey, Davidson, 1;

Kitchin was the only unanimously elected player. Demon Deacons put up a valiant fight but fell short of victory.

Hutchins, Wake Forest, 5.

Kitchin was the only Wake Forest player to be elected as the outstanding guard.
Views and Interviews

By H. M. McCOLLUM

Wake Forest football fans view a doubleheader tomorrow of two victories and seven defeats, 52 years' experience and strength to win next year; they will have an extra and granddads did before them. We get our socks, ties and garters from the Thorn boys. They

The proof of the cigarette

is in the smoking... and it always will be

Smokers—both men and women—wary of cigaretttes mild or insipid. At the same time they want a cigarette that gives them taste—taste they can enjoy.

Chesterfields are outstanding for mildness—outstanding for better taste. You can find out that they smoke.

Just try them—Chesterfields are what they say they are.
