TASSELS Initiates Five Students; Miss Crisp Named From Faculty

In an impressive candlelight ceremony conducted in Little Chapel, in the King Building last week, the Tassels, honorary leadership organization for women, added Miss Betty Pringle, who is a member of the faculty of the Music Department, to its membership. Miss Pringle, who is naturally the first faculty member to be elected into the organization, was also included into the membership by a group of 25 of the faculty who are themselves members of the Tassels.

The Tassels is a national organization of women whose purpose is to encourage and help women in their individual development, and to establish fellowship, and cooperation in democratic ideals.

Seeks Out Leaders
Tassels seeks to recognize women who stand out as leaders in the world of thought, who are outstanding in the arts and sciences, who are social workers and intellectuals in the world of business, who are leaders of women, and who are leaders in the arts and letters. It was also included into the membership by a group of 25 of the faculty who are themselves members of the Tassels.

Three Students To Make Debut As Thespians

Pringle, Dulling, Marney Take Major Parts In Drama

By Cora Oldham

The forthcoming Little Theatre production of Shakespeare’s "Othello" is scheduled for May 13 through 17. Three of the leading roles will be played by students who are making their initial appearance at Wake Forest, with another inning by the group of fashionable and dramatic actors of the campus.

Betty Pringle, who plays the title role, is one of the most popular on the campus. A Senior, she will be brought in to add glamour and excitement to the production through her role in the doubleactus. Her acting is so natural and powerful that the audience will not be allowed to see her as an actress, but as a member of society.

The other leading role will be played by Pringle's Little Theatre and a group of Alflie of the faculty, including the director of the Theatre, who is the president of the faculty. The Little Theatre is a group of students who are enrolled in the Theatre, and who are interested in the performing arts. The Little Theatre is directed by John A. James, Law student, who is a member of the faculty of the Theatre, and who is the president of the faculty.

Dover and Huff Receive Gavels

Heimer Dover received a new gavel from Joel Miller, president of the Little Theatre, at a regular meeting of the group this week. Heimer Dover has been the president of the Little Theatre for the past four years, and has been a member of the group for the past eight years. Heimer Dover is a member of the faculty of the Theatre, and has been a member of the group for the past eight years.

The second meeting of the Little Theatre will be held on Tuesday night at the Little Theatre, and will be attended by the group of students who are enrolled in the Theatre, and who are interested in the performing arts. The Little Theatre is directed by John A. James, Law student, who is a member of the faculty of the Theatre, and who is the president of the faculty.

THE HUMAN RACE

Triffles. It has been said, make up the sum of human things. America’s miserable traffic accidents rooted in the terrible built-in human weakness. Most of us know how to drive and walk with safety, but it is only the accidents that make us read little personal fables both in our better judgment.

In their 1949 book of street and highway data, The Travelers Insurance Companies have recognized this fact. The grim record of traffic deaths and injuries is all there, in tabular form, but the booklet is lightened by a pictorial presentation of the probable cause of many of the accidents. There is the fellow who never makes his way to the pedestrian lights, or the cigarette-sticker in the car window, or the taillight needed for a traffic safety signal.

A lawyer is given half a million dollars for one or two fights because our appetite for the strange and the unusual is so great. Perhaps you will have to live with them for quite some time.

Perhaps you will have to live with them for quite some time.

In Spring It’s Time For Er... Ah... Golf

"To be or not to be, that is the question." Yes, that was the query in the mind of Hamlet, but it is still playing today. This fall, come with us and explore the beauty and the strange and the unusual in the world of golf.

We have a better balanced society.

In a garret—and the artist lives across the hall and the children who refuse to listen to the warnings have failed.

...luring lies.

Most of us know how to drive and walk with safety, but we might have a better balanced society.

Fourth Annual Shutter Contest Prizes Released

Prints have been announced for the fourth annual Kappa Alpha Tau Collegian Photography Contest by W. J. Bell, executive secretary. Prints must be received by April 15, 1949, to be eligible for the awards. A Grand Prize will be a complete picture sequence submitted on SCIENCE ILLUSTRATED, with shooting script, technical directions and adhesive emulsion, and ready for the magazine staff-plan regular payment for the accepted entries.

This prize will go to the photographers entering the best group of six to ten prints, including entries in at least three of the five divisions.

A Circuits camera and carrying case, switched by POPULAR PHOTOGRAPHY, will also be the property of the Mountaineers of the division in which each is entered. This prize will go to eight for other awards.

First prizes by departments are:

Dr. Cullum Foresees Hopeful Situation for the Human Race

Editor’s Note: Dr. W. R. Cullum, President of the World Peace Foundation, has written a special article entitled “The Case for Peace.” This is the first of two parts. Part II will be published next week. It is important to stress that the views expressed are Dr. Cullum’s own and do not necessarily reflect the views of the World Peace Foundation.

Dr. Cullum foresees a hopeful situation for the human race. In his article, he argues that the current state of the world is characterized by a sense of crisis, but he believes that this can be overcome through a renewed commitment to peace and cooperation.

Diamond Squad Wins 6 Straight Games On Road

By Wing Warren

The Tar Heels' Diamond Squad baseball team had things pretty much their own way last week. They won all six games against their opponents with a string of six straight victories.

The Deacs opened their (49) game season with a 14-1 triumph over Baptist, and in their second game, they went the distance in the abbreviated doubleheader and set the visitors down on four runs. In game three, the Deacs won 2-1, and in their fourth game, they prevailed 8-7. In the following game, namely March 26, the visitors were held to a 1-1 tie and a 1-2 victory earned by the home team.

Moving over to Laurinburg, the Baptists played with the Deacs in a 3-2 win over Coastal, and in the final game of the series, the Deacs won 7-1.

Hurk No-Hitter

Friday, April 13

Tim Davis, catcher of the Laurinburg team, lefty Mike Esh and right-handed Bob Moore, pitched a perfect game in the Carnegie Cup, a 5-0 victory over the Deacons of the Cape Fear Christian School.

In the opening match with the Deacons, Tim Davis pitched a shutout in the first 5-0 game, and in the second game, he pitched a 1-0 victory.

Golfer Wins 3, Loses 1 on Road

The Deacons lost the first game of the day to the Hard Rockers, 3-1, but won the other three games, 8-0, 7-1, and 3-2.

Defeat Bobcats

Defeat Bobcats

Defeat Bobcats

Fouled Slip}

In the only game he pitched, he gave up four hits and two runs and was credited with the win.

Doubles Champions

The doubles team of Musumford and Dunn won the championship, and Kinlaw and Eller combined to make up the best team of the season.

Drill for First Meet

Kimlaw Looms As Great Hurler for Baptist Squad

The Deacons' track and field team will be on fire when they host the Baptist squad for their first meet.

The Deacons' cinder track has been working every day for the past two weeks and is in perfect condition. The team is looking forward to their first meet with the Baptist squad.

The meet will be held at the Deacons' track and will include events such as the 400 meter dash, the long jump, the high jump, and the triple jump. The team is expected to perform at their best and will be looking to showcase their talents.

The meet is set for Saturday, April 5, at 10:00 AM. Admission will be free for all spectators.
