At the last meeting, the Pan-Hellenic Council expressed the general interest in Wake Forest in social activity and announced that the Pan-Hellenic Council would be unable to act upon any request or card that had been submitted, nor would it be possible to come to any decision concerning the matter. The council decided to accept the resignation of the Student Body Manager, L. W. Lane, on the grounds that he was unable to accept the position of Manager of the Student Body, but would prefer to return to his former position as Manager of the Student Body. The council also decided to accept the resignation of the Student Body Manager, J. W. Taylor, on the grounds that he was unable to accept the position of Manager of the Student Body, but would prefer to return to his former position as Manager of the Student Body.

OLD GOLD AND BLACK

We wish to correct a mistake made in last week's issue.

Jesse Wilcox referred to us as "Sir." It was a serious oversight on our part.

One of the most noticeable inferences of the drastic changes recently made in football rules by the national collegiate athletic association is the growth of school spirit and interest in college athletics. The conferences have been abolished and fair play is the rule of the day.

As a result, the interest of the students in athletics has increased. The student body is more enthusiastic and the atmosphere is more democratic. The students are more active and more interested in the activities of the school. The student body is more united and more determined to succeed. The student body is more respected and more admired. The student body is more popular and more accepted. The student body is more respected and more admired. The student body is more popular and more accepted.

Dr. Judd is a great lover of college football. His picture and that of the entire squad was published in the picture were the number of women who have played the entire season without celebration of athletic contests between the teams of the Carolina schools, five of which are to be played this summer as candidates for the state championship.
