Merger Of ‘The Student’ Brings Controversy
Staff Announces Boycott Of Publication

By CAROLY Young

A boycott of the newly reorganized and published ‘The Student’ was announced Friday of this week by the staff as they claimed that the publication was a fail.

The new ‘The Student’ was written by the staff for the students and was published Friday of this week.

Dr. Weatherman, who is the editor-in-chief of the new ‘The Student’, said the publication was designed to be a vehicle for the students to express their opinions and to serve as a forum for discussion.

Mr. Weatherman said that the staff was consulted before the publication was published.

The material for the alumni magazine is now being evaluated by the editorial board.

A meeting on Friday of this week was attended by the staff and students to discuss the future of the publication.

The next meeting will be held on Tuesday of next week.

The staff is asking for the support of the students in their efforts to have the publication continued.

Enrollment Again Rises, Sets Record Of 2,881

Failure To Pay Fee Nets Cramped Lived Quarters

By MARY C. COBLE

Along with no action on a high board of trustees, the 1960-61 school year has brought a slight housing problem on campus.

Students who failed to pay their $250 reservation deposit last spring or who in some way failed to meet certain responsibilities to the college found themselves with none.

Speakers of the director of residence’s and dean’s offices said last week that because of students who did not pay the deposit at the designated time, they did not know the exact number of students who were placed in temporary rooms.

"Students were warned," they said, "that anyone did not meet the requirements for residence halls was placed in temporary rooms until further notice.

"We have added to the residence halls ministry with 18 students," said one of the directors. "That was all that was available at that time, but more rooms were scoured the campus.

"Students who failed to meet their obligations should not be accommodated," said one of the directors. "That is true, but we saw that it was a problem.

"It was a problem that students who did not pay their deposit were placed in temporary rooms until further notice."

The total enrollment of this year is 2,881, which is 21 less than the 1959 year.

Greek Dancers And Singers To Portray Native Culture

By CHARLES OAKIN

A 5,000-year panorama of Greek dance, song and music will be presented in West Coast Hall Oct. 1 at 2 p.m. by Tsaouli, a folk dance company from Falls Church, Va. The performance is sponsored by the campus's Greek organization, Panhellenion.

The folk company, which performed in the film "Never on Sunday," will be the first to perform in its annual series of concerts.

The Greek Society has invited a dancer from the film, Kostas, to perform in the show in addition to Tsaouli's dance group. The music will be provided by the jazz band.

Tsaouli has selected 16 dances to perform in the Panhellenion program. Among the selected dances is the "Panhellenion," which is a festival of Greek folk dances. The war dance is a Pyrrhic dance, depicted in the Panhellenion program. The war dance is a Pyrrhic dance, depicted in the Panhellenion program.

GIVE NEW MAGAZINE A CHANCE

The Student Magazine is under recognition and is to be com-

bined with the Quad. The combination is to be of

a student magazine and a faculty magazine. The idea is to

attract a high-

quality group of students interested in all students, facul-

ty, and college life. After seeing this as an opportunity for

the students of the magazine staff and college members,

the magazine would undoubtedly

understand the need to

and counselors would undoubtedly

be needed to

correct the problems which

would occur. To

object to the current situation,

or suggestion for a better solution, is not to be construed

as a

who is suggesting a boycott of the entire

magazine. This could not be more disad-

vantag

years, and I think it will be

result in many students losing

their interest in the magazine.

And

perhaps too, if the plan-

ning and designing is done

by the staff, there will be a chance to

show the student and faculty what we have

in mind and fully control it again.

OLD GOLD STARTS A NEW YEAR

Deitzel’s Cadets Bombard Deacons In Opener, 40-14

By BILL RENTY

The cadets of Army combined a devastating running game with an effective second-quarter punting clout to shear Wake Forest, 40-14, in an opening day contest at the nation's oldest football site. Football at the home of 12th Terrapin Gridironed Saturday.

The Black Knights of the Hudson,流畅 of a veteran nucleus, half Deacons reply to give Coach Paul “Bear” Bryant a third straight victory over his counting coach.

A record of 11-20 against Army in Wake Forest's long history was lifted by the Terrapins, 5-7. Without a win in 17 games, the Black Knights have not won since the season opener with St. John's last November.

By Terrapin Q.B. Dick Shiner

"The ball club that boasts of a very successful running game, Army, scored 7 points in the first 5:00 minutes of the game and went on to cross the goal line several times, each time tied up by Army. The coup de grace came late in the third quarter with a 30 yard line sweep which ended in the end zone, the halfback plugging home for a touchdown.

The Cadets found their rhythm after a lull in the second quarter, rushing for 179 yards and passing for 126. The Deacons failed to score in the first quarter but scored 7 points in the second and 24 in the third.

The game was won on the run with Army's most effective runner, halfback Joe Nasky, gaining 126 yards in 19 carries. He was helped by quarterback George Nelson, who completed 9 passes in 14 attempts for 179 yards.

Maryland’s Ty William Turner was the only other Deacon with over 50 yards rushing, gaining 53 on 13 carries.

Army's second-string quarterback, halfback Tom Raes, fumbled on the first pass of the game and the Deacons scored on the next play. The Terrapins had a chance to tie the score in the second quarter but fumbled on the 1 yard line and Army scored on the next play.

“The victory was especially sweet for Coach Bryant, who will meet his old team, the Black Knights, on Wednesday afternoon and evening.”
