ALUMNI PASS RESOLUTION PLEDGING THEMSELVES ACTIVELY IN FAVOR OF A GREATER WAKE FOREST COLLEGE

Davidson County Alumni Start Ball Rolling At Annual Banquet December 26th

PLAN FOR CENTENNIAL

Richmond Takes Some Action: All Work May Have to Be Raised Funds

Many alumni, students and faculty of the College are still feeling the effects of the depression in their experiences when attending meetings or functions of any kind. This particular theme was stressed at the annual alumni banquet of Davidson County, which was held at the Hotel Virginia in Richmond, on December 26th.

At that meeting the Davidson County Alumni Association presented a resolution in favor of a greater Wake Forest College and the resolutions were read into the minutes as follows:

College and Society Anniversary Combined; Reunion to Be Omitted

Work at Wake Forest College began on February 5, 1923, this year being the 20th anniversary. The alumni have been asked to send in their reunion programs as early as possible to avoid crowding. This year, however, due to the fact that the reunion of the class of 1923 is to be held at a later date, it is expected that the reunion of the class of 1922 will be well attended, and that it will be held on February 3.

The alumni will be held in the Kytollian to discuss the problems of the school and the future, as well as to listen to the guest lectures. The reunion will begin at 2:30 and will continue until 5:00.

The program will include: (1) Dr. David<br>Anniversary Will Be Celebrated February 3
