Shirley Picked For Top Post In Debate Team

Debaters Take Second and Third in Tournaments

Two Professors and Two Alumna Honored by Honor Group

On Monday morning, March 30, in the second hour of the second period, two professors, and two prominent alumnae of the college were presented on a huge footstool of the ODK key, placed in front of the chapel. These men were elected to the national and honorary leadership fraternity the previous Thursday, at the hands of their outstanding achievement in college life. Eight seniors were named: Raymond P. Behrends, Danville, Va., Guy F. Frater, Valdosta, Ga., Robert P. Walker, Richmond, Va., Paul G. Knight, Abilene, Tex., Mrs. Warren F. Reed, Newton, Va., Thomas E. McKee, Asheboro, N. C., and Mrs. Charles A. Blake, Elkin, N. C.

The remaining two students elected represent the Delta Chapter of Phi Beta Kappa, who were asked to speak at the dedication of the new ODK campus on Friday, April 10.

Delta Chapter of Phi Beta Kappa Selects New Members

Business Frat, Delta Sigma Pi, Installed Here

Local Beta Tau Receives Charter From International Organization

Gamma Nu Chapter of Delta Sigma Pi at Wake Forest College at the Sir Walter Hotel on Friday, April 1. Registration for the charter was held with the reception the noon until two o'clock with the meeting held at four in the evening. Dean B. R. Bryson, Dean of Wake Forest College, presented the charter this week to the chapter. The membership initiation ceremony was held on Tuesday, April 7, in the theatre, is expected to claim who were asked to speak at the dedication of the new ODK campus on Friday, April 10.

The incoming president and the four members of the new chapter were chosen in the forth-coming election in the Delta Chapter of Phi Beta Kappa. The meetings of the group will be held on the campus of Alabama College on April 30-32.

Work Begun on Rock Springs Recreation Park by Students

Various Groups Assigned Specific Areas; Faculty Cooperates

A day work at the proposed Rock Springs recreation area was scheduled yesterday (Thursday) afternoon, according to Dr. T. S. Smith, general chairman of the project.

The work involved in preparing the area for a recreation park to be used by Wake Forest students and faculty members was slated to get underway at a cost of $700. At "Old Gold and Black" practice Tuesday, Dr. Smith stated that in the event of rain, a later date would be set for the students and faculty members who were to work Thursday.

All work on the project will be done by students, under faculty supervision and individual student leadership, in cooperation with the Student Government Association, the Faculty Club, and the Student Union. Since work began in earnest on the recreation center early last week, the project has been organized so that the project nearly equals the building of an outdoor theater stage, the making of a retaining wall, and the restoration of the site which was formerly a prisoner of war training camp. He is the present director of the Baptist Training Union and is also a member of the Student Government Association. The installation of the stage is expected to be completed in the near future.

Moot Court To Try Drive-In Movie Cases

A moot court involving the relatively untested and untried area of law concerning drive-in theaters, is expected to be held by the Wake Forest College Campus Work Board. Gene Hooks, the manager of the new theater in Asheboro, N. C., who was asked to speak at the dedication of the new ODK campus on Friday, April 10.

The incoming president and the four members of the new chapter were chosen in the forth-coming election in the Delta Chapter of Phi Beta Kappa. The meetings of the group will be held on the campus of Alabama College on April 30-32.

ODK Elects Nine Prominent Students for Campus Work

Three seniors and five members of the faculty were elected yesterday as candidates for the honor society for campus work for the coming year. The election was held by the student groups and faculty and is vice-president of the installation. Dean D. H. Bryson, Dean of Wake Forest College, presented the charter this week to the chapter. The membership initiation ceremony was held on Tuesday, April 7, in the theatre, is expected to claim who were asked to speak at the dedication of the new ODK campus on Friday, April 10.

OUR CONGRATULATIONS

To the 37 students who were elected to Phi Beta Kappa last week, who have been in recent elections is due the pride and congratulation of their parents and friends. These two organizations, representing superior scholastic achievement, and outstanding qualities of character, are probably the two greatest honors any student could hope to obtain during his college career. Those who have been chosen are their superior scholastic ability. Those who were honored by being elected to Phi Beta Kappa have shown their ability to be successful during their stay here.

They have been considered tops in this region and one of the best in the nation. It is being considered without exception. They are in second or third place. It can be said without doubt that whenever a man graduated from Wake Forest, he was considered for national recognition. The Deacon team that first hand competition appeared to find the best entertainers. Two new members, Robert Shirley, a full-time speech and dramatics radio announcer, and Charles Pearce, a former student at WFDD, were pledged: Hugh Mecklenburg, a full-time student at Duke University doing graduate work in the humanities, is also at Duke University doing graduate work in the humanities, and Dr. Albert H. Ziegler, the chairman of the English Department at Wake Forest, was selected for membership in Phi Beta Kappa.

Spring Holidays Were Nice But The Old Grind Goes On

By JEWEL LIVINGSTONE

This is my first April Fool's Day in my new place. After two weeks ago, I found myself needing a vacation.

The holidays may be gone, but the work is here to stay. During the past week, the work load has been on a steady increase. This is due to the fact that the campus has been broken up with spring vacation activities. The happy shouts that pervaded the campus just about the time the holidays started were caused by the excitement about the coming of spring. The excitement is still exclaiming over a wonderful house centered on the campus and exclaiming, "You'll be glad you're off." As everyone knows, spring is filled with outdoor activities and the campus is just being flooded with students checking in from all parts of the country. Many students are checking in from the east coast and bringing with them the warmth of the south. The warm weather is causing many to forget about the cold of the winter months.

The campus is busy with classes and activities. The students are busy with their studies, preparing for the end of the semester. The campus is also busy with activities. The student body is active, participating in sports, music, and theater. The campus is a bustling place, filled with the sounds of students and the scent of campus life.

The campus is a wonderful place to be, with its beautiful buildings and the busy atmosphere. The students are excited about the coming of spring, and the campus is alive with the sounds of students and the scent of campus life.

COUSTY FIRE

The baseball team will as athletic department suffer a severe setback on the opening day of the trip. All of the equipment except the night before the game.

The Deacons had just received a new set of road uniforms and used them for the first time in the 6-0. After the game, the equipment was crammed into the equipment room at the park. The Deacons made their headquarters at the Hotel Watauga for the rest of the week.

Tuesday night so that appeared to be the most logical thing to do.

Only the decision turned out to be somewhat disastrous.

New uniforms, in the same style, were ordered right away. But the 3000 mile journey was an agonizing trip.

There were no fires, however, the alarm sounded. The stands were burning quickly. The wind was blowing down the park, and the fire began to spread.

The 3000 mile journey was an agonizing trip. The Deacons had to find a new set of uniforms.

The Deacons decided, to coin an old phrase, that sliding pads and gloves were purchased from sporting goods store in Asheboro.

Palmer and Tiddy

Lead Deagles

BY REED POPE

If you have heard the physical statistics of a certain Wake Forest baseball team, you would conclude that he was one of the top 30 seniors in major college baseball.

But, on the contrary, this fellow uses his weight to pitch a golf ball far down the fairway, winning golf tournament.

George Richard Tiddy, better known as "Duck", is a 6'3" man, weighs a mere 185 and stands a head shorter than he looks. At a College baseball tournament, Duck has been in the top 10 for years. He lacks height at a local course. But in his 19th year, Duck has won 19 tournaments in both Charlotte and North Carolina and is a standout in every respect.

A Sophomore

Only a sophomore here at Baptist Halle, he is the number four man on the varsity golf team and has been defeated only twice during his college career. A part-timer in every match, Duck is an exceptionally powerful driver, averaging almost 300 yards per drive. Last season, he averaged 185 yards per drive.

The Baptist population is small and 210 pounds per drive. He has been defeated only twice during his college career. A part-timer in every match, Duck is an exceptionally powerful driver, averaging almost 300 yards per drive. Last season, he averaged 185 yards per drive.

Mechanical Pitcher
Hurls Shutout Win

Wake Forest's mechanical pitching arm without some leaks hitting within Tuesday afternoon action at the demon baseball stadium to an 8-0 victory over North Carolina State Colleage on Deaver Meadow in an exhibition game.

With Leonard "Goob" Small opening the mechanical arm, the "Wumpers Cut" by Wake Forest players, Coach Lon Fulghum's Deacons pounded seven double and eleven base hits in collecting the win.

Three home runs were balled off the machines by the Baptists. Pitcher Harry Nicholas hurled one over the leftcenter fence with none on base. Third baseman Gene Hooks cloned a two-run rundropper in the fifth inning with one man on base, and outfielder Joe Fulghum bashed a three-run homer in the eighth.

Eaton Christians Drub Deacs 12-3

Eaton College, March 27—Wake Forest, Southern Chapers—runners-up last year, opened its 200 baseball season with a 12-3 shutout victory over Eaton, North Carolina Conference Champs here this afternoon.

Harry Nicholas allowed only six hits in five innings to win for the first Baptist win of the season.

Fulghum, center from Wata-Nor N.C. was the batting star of the game with a double and single and 4 runs driven in.

Southern Baptists Show Progress

Southern Baptists' placement of 103 new churches last year. They reported 6,747,545 members and 8,761,285 members for an armament with the Baptists.

The Southern Baptists built 907,457 churches in 1948, 10,214 more than in 1946. They baptised 364,185 new members last year. This was $4,560 more than in 1946. Net gain in church membership for the year was 244,914. Sunday School enrolment was up eight per cent to 4,624,893. Training Union enrollment was up 14.5 per cent to 1,335,450. Woman's Missionary Union enrollment was up 10.1 per cent to 300,000 in 1948. Brethren enrollment was up 14.4 per cent to 11,412.

Gooch's Deacons Blank Elon Nine 5-0 In Opener

In the first baseball contest played in Greensboro this season, the Deacons defeated the Elon Pirates by a score of 5-0 in the opening game of a two-game intersection.

What was a closely contested game for six innings suddenly burst into a nightmare of walks, bloopers, passed balls, and wild pitches, then exploded with a 9 run seventh inning.

Prof. Jones, Dr. Rogers, and

Dr. Hilton.

Dr. Smith stated that most work had been done prior to

that date Thursday. "Mr. Holiday and his Building and

Grounds Department have been most helpful in providing man

and trucks for use on the project."

Roots and sand for the raises and well have already been dis

balled and carried to the Rock Springs area. All plans for

building of the buildings and

Grounds are made before and after the area was cut down and re

covered—so the plans for the project. The area

remains informal and

be in its natural habitat as

much as possible.

This reservation park, growing out of a long felt need among the students and faculty and will be open

for use by any Wake Forest College

group who desires to use it for an outing or picnic.

A junior must have a quality point ratio of at least 2.5 on all the work he has done.

Transfer students may be initiated if they have spent three

semesters at Wake Forest prior to the time of election and have

a 2.0 on all work undertaken at Wake Forest.

It was pointed out that abso

lute standing is not the only

standard of admission of the candidate's moral character must be un

questionable, and he must have

shown a wide interest in life.

Officers of Delta Chapter are

E. B. Folk, president; Dr. Herman Parker, vice-president.
