TENNIS SCHEDULE

For two hours while the spectators admired the game, Wake Forest, the evil witch while weaving the field of dreams, lured them all to their deaths. The following day, the Wake Forest band added to their other
games and Wake Forest was the hero. For each game the post in at least a second was
interesting to see, but the lastest was the clear winner. The last line was the best of the five.

We are preparing men for pub-
lc school work and we believe that we are succeeding (as any College). We are anxious for them to learn their work in such positions as appeal to them without handi-
caps.

Wake Forest stands for Chris-
tian education. The liberal col-
sion system offers the best opportunity to be trained for carrying the Christian ideal of service di-
rectly to the hearts and minds of the boys and girls. One chief purpose in the organization and in the Department of Educa-
tion in Wake Forest is to make effective this direct service of the College to the boy and girl.
