NOTICE, ALUMNI!

The business management of the college's student newspaper, the Old Gold and Black, has decided to go into special issue publication. Effective immediately, the Old Gold and Black will cease publication until the next major issue is published. This change is in response to the financial difficulties faced by the college, which have led to a reduction in staff and resources. The decision to publish special issues will allow us to continue to provide important news and information to our community.

The Old Gold and Black will continue to publish online and social media updates, as well as special editions when possible. We encourage our alumni to stay connected and support our efforts by contributing to the college's fundraising campaigns.

We thank you for your continued support and we look forward to serving you in the future.
