GOLDEN TORNADO DEFEATS WAKE FOREST ELEVEN IN OPENING GAME OF SEASON

WAKE FOREST MAKES FIVE FIRST DOWNS

Georgia Tech's Golden Tornado swept over the Wake Forest football team to a 24-to-0 victory in the opening game of the 1931 season last Saturday in Atlanta. The Gold and Black warriors fought valiantly and played well, but the powerful backs of C. T. Rush for the right and Charles B. Hoyle for the left...

MEDICAL SOCIETY HAS ORGANIZED

Initiation of new members and general recognition was the purpose of the meeting and ceremony held by the medical society last Friday evening. Seventeen new members were taken into the society and after the initiation of the new members by members of the medical faculty and old members of the society were made.

The officers of the Medical Society were elected last spring. They are: president, D. J. Titus, W. L. Roark and W. L. Turner; secretary, T. R. McDonald; and treasurer, J. W. Armstrong.

SERIES OF SERMONS GIVEN BY DR. MADDREY

Dr. Charles E. Maddrey, secretary of the Baptist State Convention, began at Wake Forest last Saturday evening a series of sermons on the theme of "The Church in Relation to Modern Life." The services closed on Sunday evening.

LITERARY CLUBS TAKE IN NEW MEN

Last Friday night one hundred and three members of the Freshman class were introduced into the Society Halls of Wake Forest College. It is the custom of the society members of the various clubs to welcome the new freshmen and to acquaint them with the aims and objects of each organization.

UNIVERSITY HAS EXCELLENT CHANCES FOR VICTORY

Eleven men dressed in Old Gold and Black football togas will line up behind the goal line on Saturday against a like number of veterans from the University tomorrow afternoon.

The place where the game will be played has not yet been agreed upon by the management of the two teams at the time of writing, but it seems certain that either Raleigh or the other Wake Forest campus of the University of North Carolina will be the site of the battle. The game was original- ly contracted to be played in Chapel Hill last February pending the opening of Carolina against Ohio State. Of course it has been expedient that it be played elsewhere.

Wake Forest has and Carolina have had many exciting football games for a great number of years, and though these contests are almost always fought and finished with much excitement by the followers of the game, Wake Forest has never gotten the better of Carolina. Three years ago Carolina won by a score of 6-0, and the last two years by 6-0 and 4-0 respectively. The 1931 game may or may not be the last of the series of meetings between the two teams which have been played so many times when touchdowns were matters of time in affecting its organization for the future.

The Education Club of Wake Forest was organized in 1921 by Dr. Charles E. Maddrey, secretary of the Baptist State Convention. It is now engaged by Dr. D. B. Bryan, Jr., as its Faculty Advisor, Dr. D. B. Bryan, Jr., as its Faculty Advisor, Dr. D. B. Bryan, Jr., as its Faculty Advisor, Dr. D. B. Bryan, Jr., as its Faculty Advisor, Dr. D. B. Bryan, Jr., as its Faculty Advisor, Dr. D. B. Bryan, Jr., as its Faculty Advisor, Dr. D. B. Bryan, Jr., as its Faculty Advisor.
Defeat Carolina, tomorrow!

Forty-two to nothing is no showing. Here are some of the reasons why Forty-two to nothing is no showing.

(continued on page 2)

The plan on foot for grading the athletic field is one that should not be allowed to lag. This is one additional improvement that is absolutely necessary. In the light of the increasing interest against the Golden Tornado last fall, played under the new condition of the field, it can be quickly seen that without great improvements. With the fall season, the iron and the iron hose finished we will be well up to a good field.

The Tech game served well to give Coach Whitt a line on his men while in action and he certainly had some opportunities. About every phase of the game was to be in the Tech game and the strong and weak spots in the Old Gold and Black eleven have been corrected since that time. Another remarkable feature of that specific game was that none of the Wake Forest players were injured.

It is understood that a new policy will be followed by the Bowlers this year in obtaining pictures for the annual. B. W. B. L. Moose, announcer that White's Studio of New York city will establish a temporary studio here for a week or ten days and get all the work completed in that time. This will give an improve method of the past, when all students were required to report to Baisley for the purpose of getting their beauty strides.

The fifty handarook mark only prp was reported this week. The twentieth for the 1931-32 season of Wake Forest continues to grow each week. This number represents a little larger number of students registered than at the same time and with a similar increase for the next few weeks last year's enrollment will be approximately doubled. So far the total enrollment for the entire year for all the Carolina schools amounts to about seven hundred and twenty-five.

EDITORIAL

Campus politics again has the day and candidates are to be found for every and any office. One pleasing feature of our elections this year is the absence of unnecessary and excessive canvassing for votes.

Twenty-five prospective lawyer have announced their wishes for the supreme court class which will take the supreme court examination next January. This is in just a little less number than usually prepares for the court at Wake Forest.

The old and the new have been combined in the line-up of Wake Forest's basketball team for the coming season. Coach White has gone to the trouble of making schedules, to get in the team for the year's work. This is beginning early to make plans for the year's work. These three men have general oversight of all the work and to their men the societies must lose their influence.

Old Gold and Black
Wake Forest Eleven in Opening Game of Season

(Continued from Page 1)

Well done, team, there is no dis lady to be worthy an opponent as Georgia Tech.

Wake Forest appreciates the fine sportsmanship and many courtesies shown by his representatives by the authorities and students of Tech.

From all reports Brandon has the course to do his work and show what he can do in his own game, and the Georgia team is doing what the school says it is doing.

Six times the line held the Golden Downs for downs; five times the hattapirarci made first downs on own real. We have the Georgia line back in game time that could call the Carpions, except for substitutions, during the last five years.

Only three colonies of the state had games scheduled for last Saturday. Greenboro, Davidson, and Wake Forest both played.

We have the Carolina, team, the first round on the ladder to the championship, and the Davidinas gone too far, and the early birds gets the worm.

Wake Forest wants scores announced.

MUCH INTEREST MANIFESTED IN GRIDIRON SPORT

Hampden-Sydney College will be one of the targets of intercollegiate athletics will send representatives upon the gridiron to face their rivals in the future.

The two new wings of the English Chemical Building have been completed, after a period of construction of approximately twelve months.
