PATTON TAKES PRESIDENTIAL POSITION HERE

King Defeats Hope for Vice-President; Friday Overwhelmingly Made Jr. Head

With a higher percentage of students voting than ever before voted in any presidential election in the history of the university, the freshman class turned down the attempt of the sophomore class to unseat Patton as president. In addition to the 1,465 votes cast for Patton, the sophomore class voted 97 votes for McNichol, the freshman class polled 87 votes for McNichol in 69 for Patton, and the sophomore class 62 to 90 for McNichol. Hence Patton was elected by a margin of 42 votes.

The presidential election was held in the History of the College.

In the vice-presidential race for Secretary of the Student Body, over 1,000 votes were cast for C. O. Cope (of the junior class). Mrs. Cope was unseated by Kenneth Rosen (of the junior class). Rosen received 18 of the 21 votes for which he ran. Kenneth Rosen and Lessie Turley (of the junior class) tied with 20. Rosen was declared the winner and Lessie Turley will serve with him. All the votes that could not be accounted for were in the junior class only and were cast in the junior class.

In the sophomore class elections, the chairman cast the tie-breaking vote for McNichol in his favor. The complete tie-breaking vote for the elections was cast by the chairman and the tie-breaking vote was for McNichol, the junior class candidate. Well, bumpy people, this is the end. This is the final issue of the year. I’m not saying goodbye, my hard knocks, choosing, with you. With my college, my college, my college, and my college, and my college, and my college, except for the fact that you’re leaving me every year. My hard knocks, choosing, with you, with you, with you, and with you.

And how are you going to make students aware of the fact that America has infiltrated into American thought.

Of course, there is a profound need on the Wake Forest campus to make things happen. As a former student of Wake Forest, I know that there will be another four years of hard WORK and that we will be doing more for our country.

And how are you going to make students conscious of the fact that America has infiltrated into American thought? There are numerous, and a few of them have been different since last December 7, and they will have more to do than sponsor pep rallies, appear with your picture so that you can show what you are capable of doing, and cut down on dance expenses, or get involved in the economy. Why not Wake Forest, too? What about cutting down on dance expenses, or getting involved in the economy? Why not Wake Forest, too? What about cutting down on dance expenses, or getting involved in the economy?

poor attendence at their meetings, and frequently urged new social activities on the band. He was too busy to attend the meetings, but if they could get the support of the Wake Forest students, they would find it to be easy. The best way to get new members is to start with the students in the classrooms and to make sure that they are aware of the opportunities for involvement.

FOOTBALL HITS THE HEADLINES AGAIN

Right in the midst of baseball season that game called football pushes in from back into the limelight, at least in the eye of Wake Forest fans. If you don’t think, let your eyes wander over to the next column and gaze upon the opponents which our Demon gridiron will run up against next season. The following is a football schedule likely to be followed by the Demon football team:

- Duke University
- Furman University
- Tennessee
- Texas Christian University
- Wake Forest
- North Carolina
- South Carolina
- Georgia Washington

And there’s one thing certain—if the Deacs make a big jump in 1945, it will be due to the better coaching of Newcomb Shoof. It is the opinion of the op which which the Deacons have been favored this year. It will be interesting, no doubt about it. That’s all a matter of opinion—that’s what this schedule stands for.

But it gives us students two very good home games. Duke and Clemson annually rate among the best teams in the country. Commer in districts that which are interested in football have been looking forward to this contest for quite a while.

The Twin City is a Wake Forest town. Our Red, is there, and the citizens of that city have been asking for a game in their city. They’ve got the place, though the Demon coaches are considering it. They’re trying to work out a plan to make the game a big event. There’s plenty of room, plenty of time and plenty of interest.

And there’s one thing certain—if the Deacs make a good showing with that schedule, they will be sure to gain plenty of recognition.

WORD FROM GALLOWAY

Elections

(Continued from page one)

There were no elections for the legislature in the spring session.

Amendments

All four of the constitutional amendments proposed by the students were adopted. The first was carried by 83 votes to 74, the second by 96 to 68, the third by 52 to 46, and the fourth by 3 to 2. These amendments read as follows:

1) The three student body officers each shall be elected only for one term. If the officer wishes to run again, he must run as a candidate for the same office.

2) Any two students may run for one position, and if one student drops out, the other student shall be declared the winner.

3) The students shall elect the president, vice president, and secretary for the next academic year. The president shall be elected by the student body, and the vice president and secretary shall be elected by the faculty.

4) The student body shall elect the treasurer and the business manager for the next academic year. The treasurer shall be elected by the student body, and the business manager shall be elected by the faculty.

The following spring elections will be held in May. All students are eligible to vote.
