By DEE WILEY STAFF WRITER

The one hundred plus members of the YRC, whose headquarters are in the Student Union, have been told to increase their efforts in the Nixon campaign. The YRC has been charged by headquarters in Lincoln, Neb., to increase their efforts for the Nixon campaign by raising the number of registered voters on campus. The drive, according to the headquarters, is necessary because of the importance of the Nixon administration to the future of the South.

On campus, the YRC Alpha fraternity will sponsor a "Slap Day," which will be the beginning of the Nixon campaign. The "Slap Day" is a time when the fraternity will have a face-to-face meeting with each student, encouraging them to register to vote. The "Slap Day" will be held on the first day of the semester, which is September 20.

The YRC Alpha chapter also plans to have a "Slap Day" activity for the entire week, with plans to register as many students as possible.

**Letters To The Editor**

**There Is A Better Way**

To the Editor: 

Oct. 1, 1969 a letter appeared in the Gold and Black, addressed to all of us, students. It called for a better way to achieve our goals. It stated, "there has been a great deal of unrest and confusion during the past few weeks. It is time for the student body to come together to find a solution to the problems we face."

I wholeheartedly agree with this sentiment. It is time for us to come together and find a solution to the problems we face. We must work together to achieve our goals.

We must be careful not to lose sight of our goals. We must be patient and persistent. We must be willing to work hard to achieve our goals.

We must be willing to accept responsibility for our actions. We must be willing to take risks. We must be willing to learn from our mistakes.

We must be willing to work together to achieve our goals. We must be willing to listen to each other. We must be willing to compromise.

We must be willing to sacrifice for our goals. We must be willing to put our differences aside. We must be willing to work together.

We must be willing to accept the consequences of our actions. We must be willing to accept the risks.

We must be willing to be patient. We must be willing to be persistent.

We must be willing to be willing.

Thank you for your letter. I agree with you. I believe we can achieve our goals if we work together.

Sincerely,

WF Meets Top-Ranked Boilermakers; Keyes, Phipps Ignite Purdue Attack

BY TOM JENNINGS
WAKE FOREST: Last time the most formidable opponent faced by the Demon Deacons was the Oklahoma Sooners, the team faced in the last game of the 1966 season. This year’s opponent is the top-ranked Boilermakers of Purdue University.

The game will be played in West Lafayette, Indiana, and the Boilermakers are expected to have a large home crowd.

The Demon Deacons, under the leadership of head coach Charlie Milovich, have had a strong season so far. The team has won their first four games and has only one loss, which was against the top-ranked Boilermakers.

The Demon Deacons will be playing against a tough team that has won their last three games. The Boilermakers have a strong offense, led by quarterback A.J. Shipp, who has thrown for over 1000 yards and 10 touchdowns.

The Demon Deacons will need to focus on their defense to have a chance of winning this game. The Boilermakers have a powerful offense, and the Demon Deacons will need to stop them from scoring.

The game will be a tough test for the Demon Deacons, but they have shown that they are capable of playing against top-ranked teams. If they can come away with a victory, they will be in a good position to make a run for the championship.
Wake Bid For First Win Thwarted By VPI Defense

By RICHARD SINK
AND BILL UPTON
Virginia Polytechnic Institute and State University beat Duke 10-0 last week, but head coach Frank Beamer said he was not happy with his team's performance.

"Our defense was outstanding," Beamer said. "Our offense was poor, and we were lucky to win." Beamer praised his defense, which held Duke to 10 points despite allowing the Blue Devils to dominate possession.

The Wake defense held Duke to only three first downs, 120 yards total offense, and forced four turnovers.

Wake pulled off the upset of the day in the ACC, defeating Virginia Tech 17-13 in Blacksburg.

"It was a tough game," Beamer said. "But we were able to hold them to just 10 points, which is impressive." Beamer added that he was pleased with the way his team played on defense.

Wake came into the game with a record of 2-2, while Duke was 3-1. Duke had won its last six games, but Wake had won its last three.

The Blue Devils were led by quarterback Rich Searl, who completed 12 of 23 passes for 143 yards and one touchdown. Duke running back Rick White had 87 yards on 18 carries.

Wake's defense was led by junior linebacker Mike Jurewicz, who had 10 tackles and two sacks. Senior safety Ron Smith had seven tackles and an interception.

"We knew Duke was going to be tough," Beamer said. "But our defense stepped up and played well." Beamer added that he was proud of his team's effort.

The Wake offense was led by quarterback Steve Byrd, who completed 14 of 25 passes for 150 yards and one touchdown. Wake running back Tony Smith had 102 yards on 27 carries.

"Our offense wasn't as good," Beamer said. "But we were lucky to win." Beamer added that he was pleased with the way his team played on offense.

Wake will host Virginia next week.

"We are looking forward to playing Virginia," Beamer said. "But we know it will be a tough game." Beamer added that he was proud of his team's effort.

Wake is now 2-3 on the season, while Duke is 3-2. Duke will face Boston College next week.
