Rev. and Mrs. Larry N. Keaton

Minister and wife to work in Madrid

Larry Keaton, youth minister at First Baptist Church and his wife Kitty will be moving to Spain at the end of this year. They were appointed missionaries to Madrid at a meeting of the Southern Baptist Foreign Mission Board in Richmond, Va., last week.

Keaton says that in Spain he will participate in a pioneer program working with college and university students. While most of the students were "born into the Christian Faith," he says that he plans to promote more Christian activity on the campus.

Neither of the Keatons speak Spanish. Beginning in September they will spend a three-month training period in Pine Mountain, Ga., learning the language and culture of Spain.

Even though Mrs. Keaton is a social caseworker for the Gaston Baptist Association, Keaton says that her only official duty in Spain is to be a wife.
