**Cornerstone
Honors Pastor**

Cornerstone Baptist Church will hold an Appreciation Day on Sunday, April 21, for pastor Darrell Cheek and his family. Cheek will be leaving Cornerstone Baptist Church to continue his education at Southeastern Theological Baptist Seminary at Wake Forest.

Pastor Cheek accepted the call to Cornerstone in October of 1991 after attending Fruitland Baptist Bible Institute. Since that time the church has developed an active Sunday School program for all age groups which necessitated the construction of an additional wing to include the Sunday School classes. Under Cheek's leadership the congregation participated in an in-depth discipleship training program, has reached 100-plus children in Vacation Bible School each year, and has become instrumental in both local and foreign missions including direct involvement in Christian Evangelism in Russia, India and the Ukraine through sponsorship of mission trips for the Rev. Cheek to these countries. The church was also recently established into the Sandhills Baptist Association.

The Appreciation Day ceremonies include an invocation by the Rev. Billy Graham, director of missions at the Sandhills Baptist Association, special music, dedication of a tree in Darrell Cheek's honor and a covered dish luncheon on the grounds. All friends and visitors are invited to attend.
