Yancey Baptist Association (N.C.).

1888-92; 1996

Yancey Baptist Association was formed when Black Mountain Baptist Association changed its name to Yancey during the session of Sept. 6-8, 1888. Although agreeing at first to cooperate with the Western Baptist Convention of North Carolina, Yancey nevertheless instructed its delegates to that body to seek union of the Western with the Baptist State Convention. In 1893 Yancey withdrew from the Western and announced cooperation with the state convention.
