BUILDING COMPLETED—The congregation of Oak Grove Baptist Church in Marble is thankful for the completion of new building.

Oak Grove is dedicated

The members of Oak Grove Baptist Church of Marble dedicated their new church building Sunday, June 22. The congrega-

tion, along with many other churches, joined together to celebrate this long-awaited event. The original church was es-

tablished in 1894 in the area now known as the Healey Fields. In 1904, after this small log church burned, the church was deeded a small piece of property for the building of a new church that would also be used as a school.

This church served its purpose well until people began moving out of the mountains and down into the valley areas.

Therefore, in 1949 the building was torn down and a new church was built on Coalville Road, where it remains today.

After about 20 years the top story of this wood framed, two-story building began to decay. The deterioration of the top story became so tremendous that

while work of some excellent work crews, along with members and friends the building is complete. The steeple, equipped with a bell, is expected to arrive any day.

The children of the church saved change, participated in different sales, and held an Easter Egg Hunt-A-Thon, raising \$1,300 to purchase the new church bell.

A special thanks goes out to all the people who donated their time, money, equipment and especially their prayers.
