Veterans of Corinth Baptist Church were honored on Nov. 10 by Mr. and Mrs. E.B. Averett Jr. in a service filled with patriotic songs, tapes played on a mellow trumpet and shared memories with the congregation of basic training, 48-hour readiness of the US Marines and row after row of graves at Normandy. Mrs. Averett secured 53 service photographs of church members who had served in all the wars and conflicts of the United States, starting with World War I, and mounted them in a picture frame made of wood from the Averett plantation. As C.W. Thompson commented when all the veterans present were lined up in the front of the church, filling the altar area and spilling over around the sides, "Looking at all you men here, I believe we could whup 'um again."

150 Years Just Beginning Of Corinth Baptist's Ministry

By SHU-HUI HUANG
Record Staff Writer

VALE — With heart and sincerity, a small number of farm folk gathered for the first worship of the Corinth Baptist Church 150 years ago in the Vale community.

A century and a half later, heart and sincerity are still a part of the church. This Sunday, it will be time to observe a momentous anniversary and celebrate homecoming.

Services for the anniversary and homecoming will be held this Sunday, according to Harold Whitener, a member with the church.

During its long history, at least 31 pastors and seven interim pastors have served Corinth. The Rev. Lawrence Carroll now works with the church as interim pastor. Present church membership is about 350.

Located 15 miles south of Hickory and 13 miles west of Newton on N.C. 10, the first home for Corinth Baptist Church was a brush arbor.

Then members erected a rough log building with a door, a window and "ample ventilation" between the logs. No one knows for certain how long the log building was used, but it is known that in 1885 the congregation began work on a new structure, completed in 1887.

Thirty years later, on Sept. 20, 1914, members could not have imagined the significance of the church's action when the congregation voted to license a 12-year-old boy to preach. The decision was to have an impact on evangelical Christianity for over half a century because the boy was Dr. Vance Havner.

Dr. Havner later said he knew that some people scoffed at the idea of the church's setting apart a 12-year-old for ministry, but "I can't remember a day in my life when I didn't feel called of God to preach."

The young boy rose from his humble beginnings in the Jugtown community to become the most sought-after conference and revival speaker — as well as the most widely quoted writer — in American evangelical Christianity.

Havner wrote 32 best-selling books, including "By the Still Waters," his first book, and "Though I Walk Through the Valley," his most popular.

Corinth has also sent other men out to serve humanity. The first of these was James Havner, who was ordained in 1900 and who served churches in the states of Idaho and Washington. There was also Charles F. Hudson, who served churches in various parts of North Carolina.

In 1946, the church licensed James L. Starnes to preach. In 1950, Charles C. Propst Jr. was ordained by the church and had a very successful ministry in Virginia, South Carolina and North Carolina. His younger brother, Dr. H. Dean Propst, went out from his beginnings in Corinth Baptist Church to achieve considerable success as an educator. He is currently serving as the chancellor of the University System of Georgia.

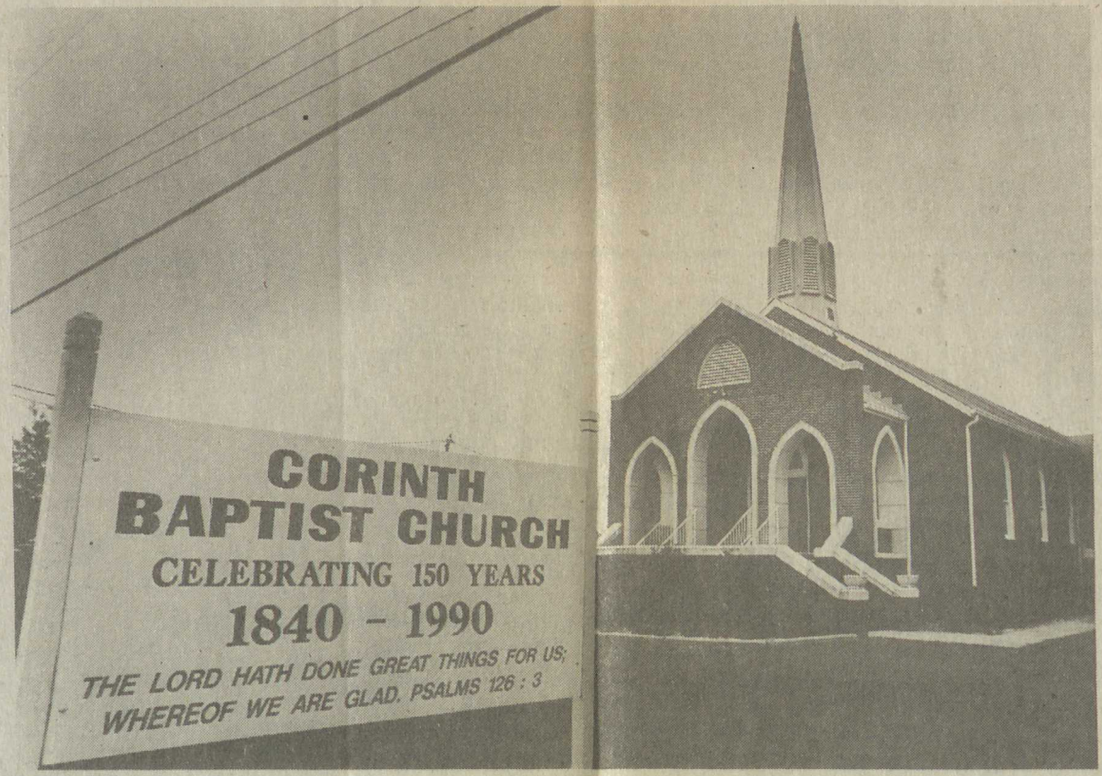

Steve Kirby, who had served as music director at Corinth, was licensed to preach in 1968.

The growth of the church through the years has brought a number of additional changes in its physical facilities.

By 1937, the church's frame building of 1885 was more than 50 years old. Work was begun that year on a stone building containing a large auditorium and Sunday School rooms. Many of the members donated materials, as well as their time and money, and the new facility was finished in 1939.

A two-story educational building was added in 1960. The brick structure currently used by the church was completed in 1979.

For celebrating the church's anniversary, Whitener said, Sunday School will be held at 9:45 with a special worship service beginning at 10:30 a.m. There will be music, special recognitions and a time for remembering Vance Havner with excerpts from his taped sermons.

The service will be conducted by the Rev. Carroll. The featured speaker for the service will be Dr. J.M. (Shelly) Ezell of Rutherfordton.

Following the morning service, the regular homecoming dinner will be served.

"All members, former members and friends of the church are cordially invited to come and share in this special day of remembrance, praise and worship," Whitener said.

Church licensed 12 year-old to preach

By LIZ WILLIAMS
O-N-E Lifestyles Editor

Her story tells of excluding people from the church, her first arbor, lost records and a 12 year-old boy licensed to preach.

It was 1840.

A small group of farmers and their families met in a rural area that is now Catawba County, expressing an interest in establishing their own place of worship.

The result of that meeting, 150 years ago, was Corinth Baptist Church.

On Route 3, Vale, the church is located 15 miles south of Hickory and 13 miles west of Newton on N.C. 10.

After the decision was made that there would be a church, the first structure for the church was a brush arbor, erected by worshippers. According to official church history, those pioneers worshipped under the arbor "until it could be decided whether it was worthwhile to build a church building in this place."

History continues, "Sometime after that, a rough log building with a front door and one window, and ample ventilation between the logs, was erected." No records confirm how long the log building was used.

In 1885, the congregation began work on a new structure. It was completed in about two years.

In the same year on June 6, records from a church conference state, "The congregation passed a resolution that in the future descipline would be enforced." The action would prove to have significant consequences in the following years.

On May 1, 1886, less than a year later, "some were excluded from the church for disorderly conduct. A committee of three was appointed to contact the non-attending members." They were to be told "to be present at the next meeting to give their reasons for non-attendance."

In the several years following, "members were excluded from the church for non-attendance, using profane language, non-compliance with church rules, drunkenness and telling lies." Church records show that discipline continued into 1900s.

From 1906 to 1927, written records of the church's history is almost nonexistant.

It was during 1914, that the church took a step that would prove to have an impact on all Evangelical Christianity for over half a century.

On Sept. 20, 1914, the congregation of Corinth Baptist Church voted to license a 12 year-old boy to preach. His name was Vance Havner.

Many times Havner said that he knew some people would scoff at the idea of the church setting apart a 12 year-old boy for the ministry, continiung, "I can't remember a day in my life when I didn't feel called of God to preach. I don't know how some folk will ever work that out in their theology. But that's their problem."

He became a much sought-after conference and revival speaker in Evangelical Christianity in America. He wrote 32 best-selling books, the first of which was "By the Still Waters" and "Though I Walk Through the Valley," written just after the death of his wife, Sara Allen Havner.

Corinth has many sons who were sent into the world to preach. James Havner was ordained in 1900 and served churches in Idaho and Washington. Charles F. Hudson served in various parts of North Carolina.

In 1946, the church licensed James L. Starnes. In 1950, Charles C. Propst Jr. was ordained and ministered in Virginia, South Carolina and North Carolina. Propst's younger brother, Dr. H. Dean Propst currently serves as the chancellor of the university system in the state of Georgia.

Steve Kirby, who had served a music director at Corinth, was licensed to preach in 1968.

By 1937, the church's frame building of 1885 was more than 50 years old. Work began on a stone building containing a large auditorium and Sunday school classrooms. Members donated building materials, their time and money to the cause and the facility was completed in 1939.

In 1960, a two-story educational building was added. The structure currently standing was completed in 1979. Corinth's parsonage, located across N.C. 10, was built in 1953 and 54 with an addition constructed in 1969.

At least 31 pastors and seven interim pastors have served the church during her 150-year history and today, the church membership stands at 350.

But, perhaps, more important to the welfare of the world and the progress of Christianity, is a unanimity of spirit and attitude as to the true ideals of living and as to the absorbing aim of Christian unity—to save, teach, and train mankind in the ways of right living. All evangelical Christians should be so united as to have but one aim—to save men and women and children, through Christ, from sin and social degradation, to righteousness and high moral living; to teach and train the saved to co-operate in saving mankind.

But most significant of all is the need of a better unified program among all evangelical Christians in the accomplishment of these aims. (To be discussed in second article which will appear in an early issue of the RECORDER.)

History of Corinth Baptist Church

CORINTH BAPTIST CHURCH, located about fifteen miles south of Hickory, North Carolina, traces its history back to a period probably between 1840 and 1850. A few worshippers constructed a crude arbor under which services were held until it could be ascertained whether a church building would be worthwhile at that place. Soon a rough log building with only one window, but amply ventilated between the logs, was erected.

Here a number of rugged preachers of the sturdy type of those days labored. Among them were Jake Ansler, Alec Stamey, Pinkney Whitener, John Leatherman, Stacy and Billy Abernathy, George Wilkie, and others; plain pioneers with plain names and a plain but powerful message that thundered against sin and called men to genuine repentance, though it did sometimes make fearful inroads on the rules of grammar.

When the log church proved inadequate, services were held for a while in the schoolhouse. Later, a brush arbor was constructed adjoining the old church. It was the scene of many gracious revivals and many a marvelous work of grace. It is related that, after one very successful revival, when the right hand of church fellowship was being extended to the new members, one of the old church fathers as he passed around gave each one a nickel. These converts were for a while referred to by some as "Nickel Baptists," but most of them proved to be pure gold.

REORGANIZATION

A growing sentiment in favor of reorganization and a new church found expression when on the first Saturday in April, 1885, the church met and adopted the church covenant, articles of faith, and rules of decorum after they had been read by the pastor, G. M. Webb. On this date the church was reorganized,, Dr. James Wray was appointed church clerk and a committee composed of Dr. Wray, Eli Johnson, John Rockett, William Wray, and Henry Richey was chosen to superintend the building of a new house of worship. We read that the next day, the first Sunday in April, 1885, witnessed beautiful weather, a large crowd at Corinth, half an hour's singing, a sermon by G. M. Webb, and a collection to pay for a new Bible and secretary's book.

A very old, undated list of what seems to be, approximately, the charter members of the new church gives the following twenty-two names: John R. Rocket and wife, Annie; Henry M. Richey and wife, Susan; John M. Kanipe and wife, Temperance; A. L. Johnson and wife, Elizabeth; W. D. C. and George F. Johnson; Joseph and Margaret Seigle; Martha Stallings; Sarah A. Havner; Mary A. Smith; Catherine and Eleanor Kanipe; Sarah and Jane Allen; Sarah Propt; Adeline and Caroline Hubbard. The leading spirits of this new day for the church seem to have been the pastor, G. M. Webb, Brothers John Rocket, Dr. James, and William Wray.

The new church was soon begun. The land was given by a man named Caldwell, and all the members worked together in the erection of what now stands for the most part as Corinth church. Sunday school was organized on the first Sunday in May of 1885 with Dr. Wray as superintendent.

The clerk's record of those days reveals some interesting sidelights on the development of the new church life; sometimes there was an hour's prayer meeting before preaching; sometimes an hour's singing; members were expelled for non-attendance and for telling lies. Discipline was strictly enforced, and services were not hurried to a conclusion.

The list of pastors who have served from the reorganization includes G. M. Webb, J. M. Bridges,

R. L. Limbrick, J. B. Bridges, J. W. Watson, J. J. Payseur, C. A. Caldwell, C. A. Rhyne, C. A. Linebarger, B. E. Morris, B. H. Laughridge, Jake Hoyle, J. M. Ballard, H. B. Chronister, Vance Havner, W. E. Bost, W. D. Earley, and the present pastor, C. H. Henderson, who was called to this work on January 1, 1936.

Three preachers have been sent out by the church: J. C. Havner, now deceased, who was pastor in several western states; Charles F. Hudson, now pastor at Durham, North Carolina; and Vance Havner, whose home base is now Greensboro, North Carolina.

The New Building

Early in the year 1937, under the leadership of our present pastor, the congregation felt the need of a new church auditorium and Sunday school rooms. A building committee was appointed consisting of J. A. Wilson, C. V. Stallings, C. C. Propst, W. L. Whisnant, Norris Baker, E. E. Havner, and Claude Ritchie. Through the untiring efforts of our pastor and the above building committee, along with the prayers and hearty co-operation of its entire membership, a stone building consisting of an auditorium and ten Sunday school rooms was started just before the holidays of 1937. The building went forward rapidly and was completed during the summer of 1939. Its total expense is estimated at $7,200. Most of this was taken care of by donations of labor, materials, or labor at the time of the erection. For the remainder (a little more than two thousand dollars) a committee was appointed just before the end of the year. In a short time, the entire amount was secured and the building is now free of debt.

The dedication services were held on Easter Sunday, April 25. The regular worship service was held in the morning, followed by dinner on the ground. The dedication sermon began at 2:30. Rev. Guthrie Colvard, pastor of East Hickory Baptist church and Training Union director of the South Fork Association, preached the dedication sermon.

The membership cordially welcomed its many friends on that memorable occasion. With about two hundred members, an active Sunday school, W. M. U., B. T. U., and an ever-enlarging opportunity, the *new Corinth Baptist Church,* proud of its honored past, looks confidently forward believing that, good as its record has been, by His grace the best is yet to be.

How to Enter Into Vital Union With Jesus

By David L. Woodward

IT IS my happy privilege to share with you the deepest insight and the richest experience that has come to me in all my Christian life and ministry. I can only give you just an inkling of my experience in the brief space that is available. But if I succeed in giving you so much as a tiny glimpse of the glory and the thrill that comes from being in vital union with Jesus, my purpose will be accomplished.

I. *First, I want to give you some good news—news that is only partially known and dimly realized by most Christians. The good news is this: Jesus is alive! And not only is he alive but he invites us to* [illegible] *union with him.*

branch that beareth fruit he purgeth it, that it may bring forth more fruit. . . . Abide in me and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me. I am the vine, ye are the branches. He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing. If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you. Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples. As the Father hath loved me, so have I loved you: continue ye in my love. If you keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in his love.

THE CORINTH BAPTIST CHURCH

ROUTE 3, BOX 29

VALE, NORTH CAROLINA 28168

THE CHURCH MEMBERSHIP ROLL AS OF AUGUST 17, 1975

It has been five years since copies of the complete church membership roll was made and presented to each home. Many changes have taken place since that time in the membership. You will miss seeing some names that have been lost by death, or moved their membership. You will also notice many addresses have changed.

This year, as in 1970, copies of the church roll are made and presented to each home that wants one for the following reasons:

1. Each home should have a copy so that members may know who their fellow members are.

2. Each member who attends should, by studing the roll, find out those members who do not come, and visit them, requesting their return to church.

3. If any member sees a mistake in the church roll, as some ones name on the roll who is dead or member of some other church, and their name should not be on the roll, report the name to the Pastor or Secretary of the church.

4. If some name has been left off by mistake in printing the roll, or has been lost from the roll, and the person's name should be placed back on the roll, contact the Pastor or Secretary for correction.

5. The church roll is a good source of information for leaders of the Sunday School, Church Training, W.M.U., Nomonating Committees, and other groups, that they may enlist members into active service.

6. Provides new members with adequate information of the membership. People who wish to join do not become members until they have been baptized. Non-baptized person's name is not listed until baptized.

7. In brief, by presenting the church roll to you, it gives you an opportunity of knowing your fellow members, and a chance for you to help keep your church roll complete and up to date. Help us.

8. The roll consists of a list of the "Resident Members," "The Non-Resident Members," and a list of those whose "Whereabouts are unknown." If you know their addresses, contact the Pastor or Secretary.

THE CHURCH DIRECTORY

August 23, 1970

INTRODUCTION

On Sunday morning, April 12, 1970, the Church in business session voted to rewrite the history of the Church. The nominating committee selected, and elected by the Church were the following: Mr. Robert Whisnant, chairman, Mrs. C. F. Rudisill (Church secretary), and Mrs. Tommy Poovey (Church clerk). These were to work with the pastor, Rev. B. R. Holbrook, in compiling the historical data.

The committee wishes to express their appreciation to the Rev. C. L. Pickler, (pastor 1954-1959) for the history that he compiled in 1957. Information in this booklet has been very helpful. The picture sketches of the early Churches and the pastorium have been copied for this edition.

While writing the Church history, the committee thought that it would be very helpful and informative if other materials were added. Since there have been few changes in the Church membership roll due to deaths, granting of letters, and a number of additions, we are including an updated Church roll. If there are any errors in the membership roll, please notify your clerk or pastor. We know that many of you do not know your leaders; so the officers, teachers, committees, the deacons, trustees, clerk, treasurer, secretary, and others are added for helpful information. The Church budget and other data is included.

We sincerely hope that all who receive one of these copies will read each page carefully, and you will become a better informed member. We trust that it will also be an inspiration to each and everyone of you. May the Lord bless all of our efforts for His Honor and His Glory is our prayer.

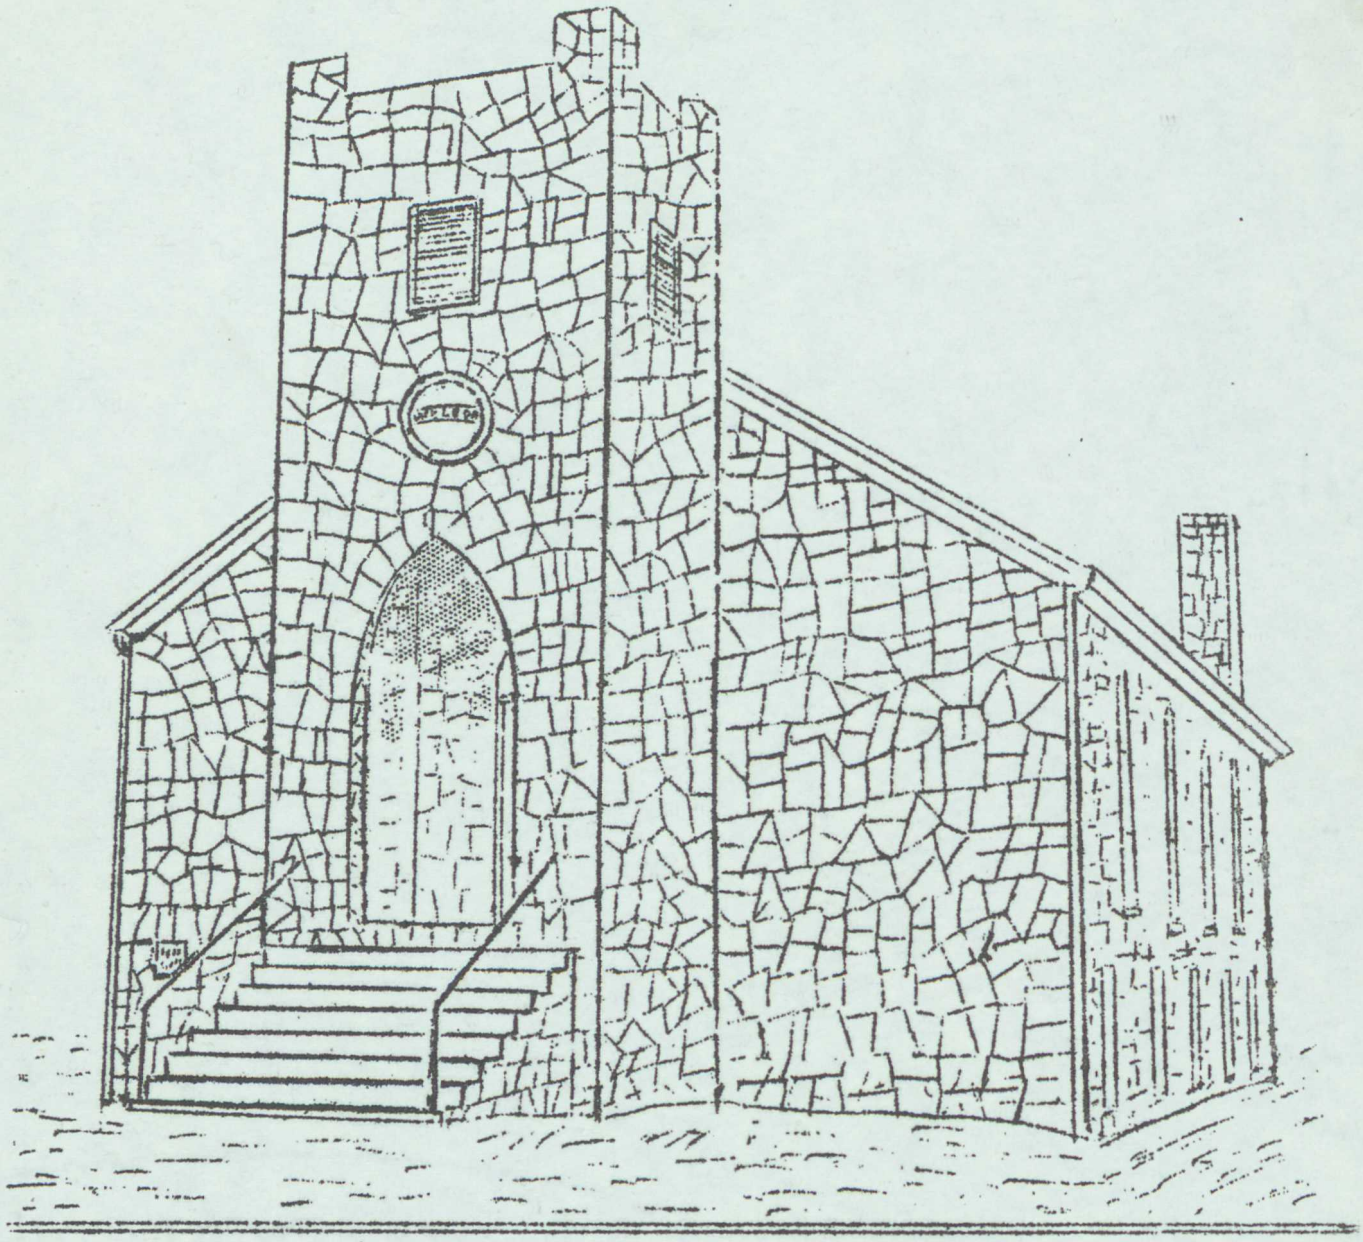

Sincerely submitted,
The Church History Committee.

THE PASTORIUM

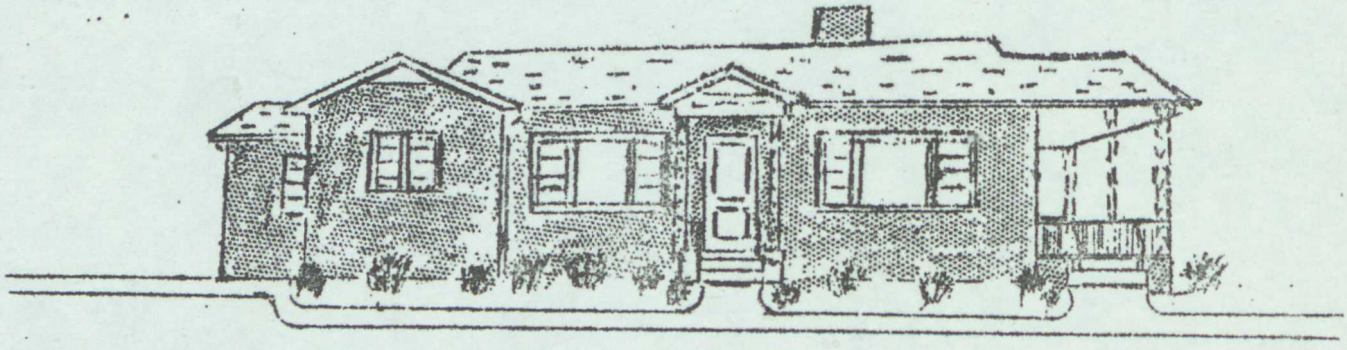

August, 1970

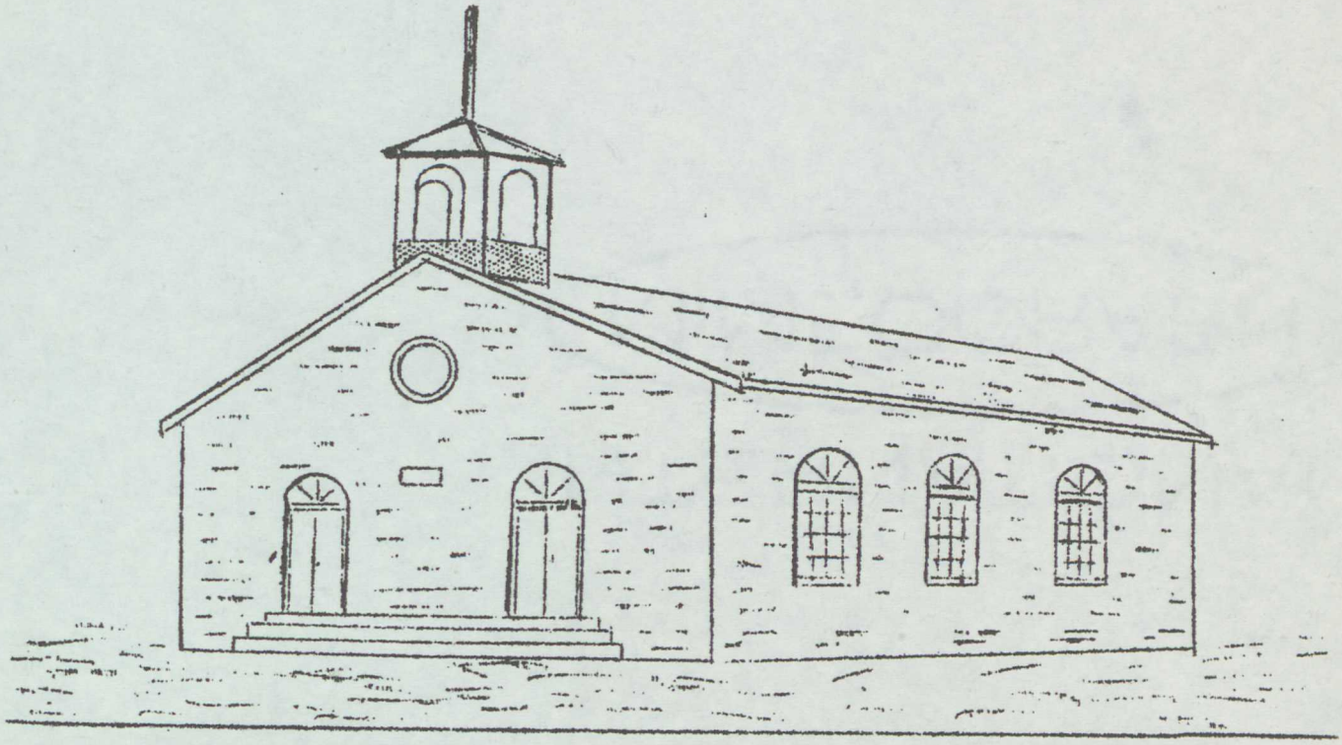

The pastorium (parsonage) shows the new addition on the right, consisting of a pastor's study, an extra bath, and hallway with closet. This addition was finished in the fall of '69 at a cost of about $5,500.00. In addition to these rooms, it has three bedrooms, a family room (den), another bath, a living room, dining room and kitchen. It has a basement, garage, and sits on about three acres of land.

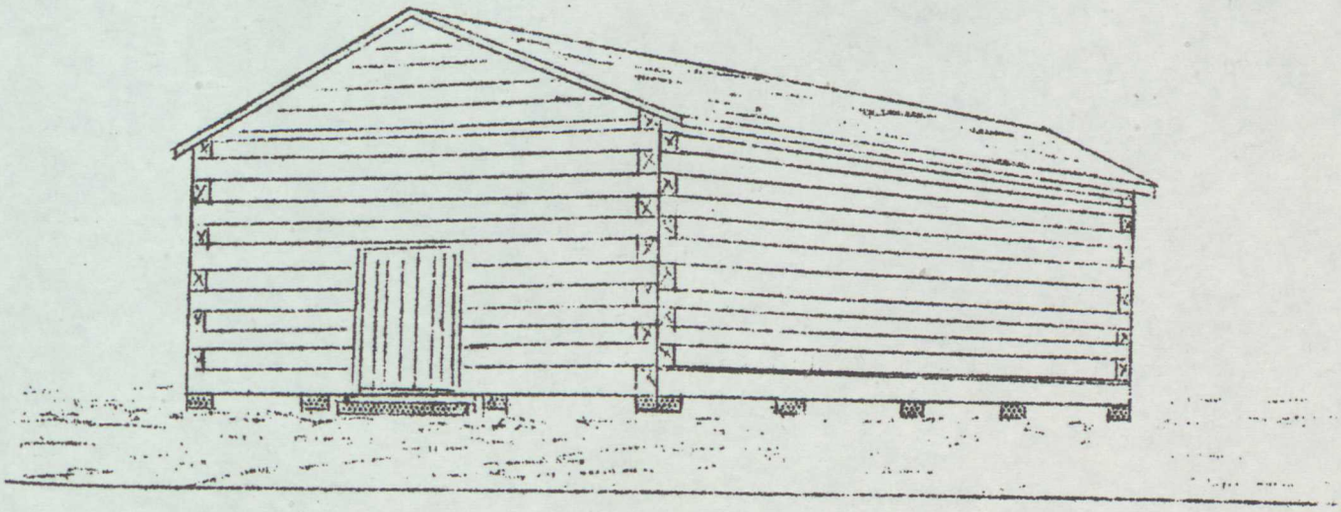

This is a sketch of the new stone building made from an 8 by 10 photograph just as the building was finished. It was erected under the leadership of Rev. C. H. Henderson. This building was started in 1937 and completed August 1939. The seating capacity is around 350.

The Church Parsonage abouve was sketched from a Kodak picture. It was started in November 1953 and finished in April 1954, under the leadership of Rev. W. C. Bumgarner.

The above is a sketch made from an old photograph of Corinth Church building started in 1885, completed date is not given but believed to be within two years. The seating capacity was around 275. Rev. G. M. Webb was called as Pastor and served during the first Year in the erection of the Building.

Corinth Worshipers used an Arbor as stated in the history, their first place in which to worship around 1840. Soon thereafter a log building as sketched above, about 20 by 30 Ft., was erected of large hewed logs with front door and one window behind the pulpit with cracks in the walls for ample ventilation. The Pews were plank resting on blooks no doubt that were used in the Arbor. Just how long this building was in use no one remembers and no dates are given in the records.

HISTORY OF CORINTH BAPTIST CHURCH

Corinth Baptist Church, located approximately fifteen miles South of Hickory, North Carolina on Highway 10, in the Vale area, traces its history back to around 1840, near the date of the formation of Catawba County in 1842.

The first structure was a crude arbor, erected by a few worshipers under which services were held until it could be decided whether it was worthwhile to build a church building at this place.

Sometime after that a rough log building with a front door and one window, and ample ventilation between the logs was erected.

When the log church became inadequate, services were held for awhile in the Daniels School House. Later a brush abor was built, joining the old church house. Many glorious revivals were seen here. After such a revival, when the right hand of fellowship was being extended the new members, one of the church fathers gave each new member a nickel as he passed by. These converts were referred to as "Nickel Baptist" for awhile.

1884

The first now known records of the proceedings at Corinth Church were recorded of the small congregation that had gathered for worship on the 4th Saturday in December, 1884. Rev. A. A. McSwain and G. M. Webb preached to a small congregation.

A small crowd met again on Sunday which was very cold and rainy, for service, with A. A. McSwain and G. M. Webb preaching. At this time, G. M. Webb agreed to preach regularly on the first Saturday and Sunday in each month of the year 1885.

Also elected at this time were Dr. James Wray, Ely Johnson, John Rockett, William Wray and Henry Richey to serve as a building committee to superintend a new house at Corinth.

The church received the free Library offer in 1946 from the Sunday School Board, Nashville, Tennessee, that is given to churches to help get a new library established.

For many years a bookcase served as the Library. After the educational building was completed, one of the old Sunday School class rooms under the sanctuary was converted into a Library. The Library has been at its present location for approximately seven years.

The Library was placed in the church budget in 1961. In 1963 the books in the library were recorded in the Accession Book, and were classified and catalog in 1966.

On May 15, 1966 Mr. Gleason Whisnant donated a card catalog file cabinet to the library. Books have been donated by different people in memory of a loved one or friend.

A file cabinet was also placed in the library in 1966.

The church began to place Audiovisual in the Library in 1966 with the purchase of a Filmstrip Projector, Screen and Slide Changer for $158.94.

The Training Union added to the audio equiptment by purchasing a 16MM Sound Projector on February 28, 1968, for $621.70. The Training Union has also added a Record Player.

A "Show N Tell" was placed in the Library in February, 1970.

There are now 878 books, 9 filmstrips, some records, maps, vertical file items, and many other items in the Library.

Woman's Missionary Union

The Woman's Missionary Union was organized in 1937. The Pastor's wife, Mrs. C. H. Henderson was elected president of the organization. In October 1954 the WMU was divided into two circles and the ladies met once a month for the general meeting and once a month for the circle meeting.

Today the W.M.U. is composed of the Women's Missionary Society, Young Woman's Auxiliary, Girls' Auxiliary and The Sunbeam Band.

Royal Ambassadors

The Royal Ambassadors were organized in 1967 under the leadership of Rev. W. L. Pitts. Ernest Bowman, Lawrence Sullivan, Roy Fulbright and Wayne Fulbright were the first Counselors for the Royal Ambassadors.

Land

The two acres of land, more or less, on which Corinth Church stands was given to the church on August 4, 1856 by a Mr. J. A. Caldwell of Lincoln County for the sum of one dallor to make it legal.

The deed to this land was probated February 1, 1886 and registered February 2, 1886, recorded in book 29, page 47, at the register of deeds office in Catawba County.

Records

Since very few records were preserved from 1906 to 1927 except by memory, it is worthily to note that Dr. Vance Havner was licensed to preach by Corinth Church

on Saturday, September 20, 1914, at the age of 12.

Dr. Havner was ordained three years later at the age of 15. He preached his first sermon at the First Baptist Church in Hickory just before he was 12 years old.

THE CHURCH ROLL AS OF AUGUST 17, 1970

THE COPIES OF THE CHURCH ROLL ARE MADE AND PRESENTED TO EACH HOME THAT WANTS ONE FOR THE FOLLOWING REASONS:

1. EACH HOME SHOULD HAVE A COPY SO THAT MEMBERS MAY KNOW WHO THEIR FELLOW MEMBERS ARE.

2. EACH MEMBER WHO ATTENDS SHOULD, BY STUDING THE ROLL, FIND OUT THOSE MEMBERS WHO DO NOT COME, AND VISIT THEM, REQUESTING THEIR RETURN TO CHURCH.

3. IF ANY MEMBER SEES A MISTAKE IN THE CHURCH ROLL, AS SOME ONES NAME ON THE ROLL WHO IS DEAD OR MEMBER OF SOME OTHER CHURCH, AND THEIR NAME SHOULD NOT BE ON THE ROLL, REPORT THE NAME TO THE PASTOR OR SECRETARY OF THE CHURCH.

4. IF SOME NAME HAS BEEN LEFT OFF BY MISTAKE IN PRINTING THE ROLL, OR HAS BEEN LOST FROM THE ROLL, AND THE PERSON'S NAME SHOULD BE PLACED BACK ON THE ROLL, CONTACT THE PASTOR OR SECRETARY FOR CORRECTION.

5. THE CHURCH ROLL IS A GOOD SOURCE OF INFORMATION FOR LEADERS OF THE SUNDAY SCHOOL, TRAINING UNION, W.M.U., NOMONATING COMMITTEES, AND OTHER GROUPS, THAT THEY MAY ENLIST MEMBERS INTO ACTIVE SERVICE.

6. PROVIDES NEW MEMBERS WITH ADEQUATE INFORMATION OF THE MEMBERSHIP. PEOPLE WHO WISH TO JOIN DO NOT BECOME MEMBERS UNTIL THEY HAVE BEEN BAPTIZED. NON-BAPTIZED PERSON'S NAME IS NOT LISTED UNTIL BAPTIZED.

7. IN BRIEF, BY PRESENTING THE CHURCH ROLL TO YOU, IT GIVES YOU AN OPPORTUNITY OF KNOWING YOUR FELLOW MEMBERS, AND A CHANCE FOR YOU TO HELP KEEP YOUR CHURCH ROLL COMPLETE AND UP TO DATE. HELP US.

8. THE ROLL CONSISTS OF A LIST OF THE "RESIDENT MEMBERS", "THE NON-RESIDENT MEMBERS", AND A LIST OF THOSE WHOSE "WHEREABOUTS ARE UNKNOWN." IF YOU KNOW THEIR ADDRESSES, CONTACT THE PASTOR OR SECRETARY.

CHURCH HISTORY FOR 1972

In August 1970, a copy of the rewritten history of the church was handed out at Homecoming. This is a brief account of the changes and highlights in the church year for 1972, and is to be added to your copy of the Church History.

On January 23, 1972, the church was called into conference at the morning worship service with the Pastor, Rev. B. R. Holbrook as moderator. The workers in the Bus Ministry were approved as read: Kenneth Simmons, Bus minister; Barbara Gilbert and Kevin Reinhardt, Bus workers; Roy Fulbright, Bus driver; Tommy Poovey, Assistant Bus driver; and Howard Keener, Bus mechanic.

During conference on April 16th, the church voted to change the observing of the Lord's Supper from the First Sunday morning to the Fifth Sunday morning. Also, at this conference the church voted to accept a riding lawn mower as gift to the church from Mr. Ernest Bowman.

At the morning worship service on August 13th during church conference the Deacons recommended to the church that arrangements be made to have the roof of the annex covered. The deacons also recommended that the church buy paint to paint the educational building and the Pastor, Chairman of Deacons, Director of Sunday School, Director of Church Training, and the Director of the Woman's Missionary Union act as a committee to select, secure and supervise the painting. These recommendations were approved by the church.

On August 27, 1972 the annual Homecoming was held at Corinth with a former Pastor, Rev. Waldo D. Early bringing the morning message. It had been approximately thirty-six years since Rev. Early served the church as pastor. There were 140 members present for homecoming along with many former members and friends present.

Upon recommendation of the Deacons the church voted during conference on December 31st to erect a sheet metal and enamel utility building at the back of the church at an approximate cost of $119.00.

CHURCH HISTORY FOR 1973

This is just a brief account of the changes and highlights at Corinth Baptist Church for the year 1973, and should be added to your copy of the Church History printed in 1970.

On April 8, 1973, the church was called into conference at the morning worship service by the Pastor, Rev. B. R. Holbrook as moderator. During this conference the chairman of the Deacon's, Roy fulbright presented two motions made by the deacon's.

1. That $300.00 be given to Roby Linebarger, a ministerial student at Gardner-Webb College, to help in furthering his education.

2. That $4,000.00 be transferred from the checking account and placed in the building fund so it would draw interest. This would make a total of $7,139.17 in the building fund. These motions were approved by the Church.

Our Spring Revival was held during the week of April 8th, with Rev. C. T. Stephens, Jr. Missionary from Indonesia and serving as pastor of Bethlehem Baptist Church north of Hickory during his leave from the mission field, bringing the messages each evening.

Our Vacation Bible School began on Sunday evening, June 3rd, and ended with a picnic on Saturday at the South Mountain Baptist Camp. The enrollment for the week was 140, with an average attendance of 107. There were six professions of faith.

The Church, called in conference on June 10, 1973, approved the recommendation by the Deacon's that a used typewriter be bought for the Church Library at a cost of $75.00.

At the morning worship service on June 17, 1973, Bill Stallings, Chairman of the Repair Committee recommended that the Church buy a new stove and refrigerator for the Church Kitchen at a total cost of $340.00 from the Clark Tire Company. The recommendation was accepted.

Upon recommendation by the Deacon's the Church voted during conference on July 8, 1973 to give the job of treating the Parsonage and a portion of the Educational Building for termites and other insects to the Bonus Termite and Pest Control Company as low bidder of the job for $50.00.

The Annual Homecoming was held on August 26, 1973 at Corinth Church with Dr. Larry Penley, former Interim Pastor bringing the Homecoming message. There were 142 members present for homecoming and many former members and friends came back to visit.

During church conference at the morning worship service on September 9, 1973, Roy Fulbright, Chairman of the Deacon's, brought three recommendations by the Deacon's to the Church.

1. That office space be made available for the Sunday School Secretary, the Treasurer, and the Assistant Treasurer beside the stairway going down into the first floor, and in the hallway part.

2. That up to six (6) more tables and twenty-five (25) more folding chairs be purchased for the Fellowship Hall.

3. That $25.00 be given to the Christian Action League to be used in the fight against the sale of liquor by the drink election that was to be held in November 1973.

These recommendations were approved by the Church.

The Fall Revival was held during the week of November 11th. Rev. Richard Brown, Pastor of the Pleasant Hill Baptist Church near Gaffney, South Carolina was the guest evangelist.

For the Church year October 1972 through September 1973 we had 218 enrolled in Sunday School with an average attendance of 130 per week; 55 enrolled in Church Training with an average attendance of 40; and there were 60 enrolled in the Woman's Missionary Union Organizations. Our total receipts for the year were $37,145.38.

Also during this time 80 volumes were added to the Church Library through the budget, memorial gifts, and donations.

Added emphasis has been placed on our building fund this year. This is due to the much needed renovation in the sanctuary. $4,000.00 each year is taken from the church budget and several gifts have been made by friends and relatives as memorials to loved ones deceased. The total as of July 1, 1974 amounted to $17,292.69. Any one wishing to give as a memorial may do so by writing "Building Fund" on the check or envelope, and the person's name.

This year we are including a brief resume on the men that have went out from Corinth Baptist Church and ordained into the ministry. If you know of any others please let us know.

Rev. James Havner, son of Mr. and Mrs. Alfred Havner, was ordained on Saturday, February 17, 1900. Very little is known at this time about his life in the ministry other than he pastored a church in Wallace, Idaho, and in the State of Washington. He died while living in Washington.

Dr. Vance Havner, son of Mr. and Mrs. Royal Pinkney Havner, started preaching at the age of twelve. He was licensed to preach at the age of twelve and ordained at fifteen.

As a boy he attended Oakhill School. He went to South Fork Institute at Maiden, North Carolina for awhile and then finished high school at Boiling Springs. He intered college but did not stay very long. Later, he attended Moody Bible Institute for several months.

The first money Dr. Havner ever received for preaching was at the age of twelve, standing on a chair in the First Baptist Church at Hickory, with the pastor on one side of him and the evangelist of the state convention on the other side. Somebody gave him a dollar.

Dr. Havner's first pastorate was Salem Baptist Church near Elizabeth City, North Carolina, from 1931-1934. From 1934-1939 he was pastor of the First Baptist Church, Charleston, South Carolina, the oldest Baptist Church in the South. He has been a traveling preacher since 1940. He has traveled in almost every state preaching in Church Revivals and Bible Conferences.

Dr. Havner has written 31 books of sermons and devotional meditations. His first book to be published was "By The Still Waters." Some of the books are out of print now, but many are still available.

In December of 1940, Dr. Havner married Sara Allred. He was 66 before he owned an automobile.

Rev. Charles F. Hudson received his high school training at the South Fork Institute at Maiden, North Carolina, graduating in the spring of 1912. He entered Wake Forest College in the fall of 1912 and graduated with the A. B. degree in the spring of 1916. Rev. Hudson later attended the Southern Baptist Seminary, Louisville, Kentucky. While in the seminary he married a young woman of Morganton.

He was pastor of the First Baptist Church, Washington, North Carolina, and west Durham Baptist Church, now Grey Stone Baptist Church. At the time of his death in 1939, he was pastor of Lystra Baptist Church near Chapel Hill, North Carolina.

He was known among his fellow pastors and laymen as being intellectually strong in his Gospel preaching and teaching.

Rev. Charles C. Propst, Jr. was the son of Mr. and Mrs. C. C. Propst. He was licensed to preach in November 1950 at Corinth Baptist Church. He delivered his first message at the church in May 1947. He was ordained at East Hickory Baptist Church.

Rev. Propst attended Mars Hill College and graduated from Lenior Rhyne College. He graduated from Southeastern Seminary, Wake Forest, North Carolina.

His pastorates included Tabernacle Baptist Church, Carmel, and Terry Farms Baptist Churches of Richmond, Virginia, and First Baptist Church Spartanburg, South Carolina. His last pastorate before his death October 6, 1973 was Pleasant Hill Baptist Church, Shelby, North Carolina.

He was married to the former Maizie Granger. They had one daughter, Robin.
