

LEATHERMAN, ELDER JOHN F. appears in the King's Mountain Association in 1856 and 1860 as a member of and a delegate to the Association, from Mount Vernon church. We are uninformed as to the date of Elder Leatherman's birth, but suppose he was born in Lincoln county, N. C., about the year 1820, and has been preaching about twenty-five years. He has labored some with Mount Vernon and Corinth churches. Is said to be a well meaning brother, but of moderate attainments. If, however, he has only a single talent it is as much his duty to cultivate it, as if he had ten. There is a work for all to do. "Go work in my vineyard" says the Husbandman.
